MONTREAL, Jan. 26.-(Special.) -The announcement was made to-day at the annual meeting of the Crown Reserve mine that the regular dividend of 24 per cent. and bonus of 36 per cent. would be paid during 1910, and probably for many years to come. The surplus was \$549,275, while dividends of \$1,238,169 had been paid. The profit

debris many of the would-be financiers. "But altho Rossland and its mines have passed thru much storm and stress, that is the usual experience of western camps," concludes the author,

"and it may truthfully be said that the city about Red Mountain is now on a sound, substantial and permanent basis. The next few years will probably see a wide expansion, and Ross-land will entirely justify the faith of

those who have stuck to it thru, thick and thin.'

Funeral of Rev. Mr. Childerhose. The remains of the late Rev. Stephen Childerhose, one of the Webbwood wreck victims, were interred yesterday afternoon at Cobden, Ont. The funeral was held Tuesday in the Presbyterian

Church, North Bay, in the presence of a large number of people and the most of the Presbyterian clergy in that district, after which the body was taken to the place of interment. The service was conducted by Rev. G. L. Johnston, pastor Presbyterian Church; North

Bay, assisted by Rev. Dr. Somerville, Toronto, Rev. J. E. Smith, Giroux Lake; Rev. Dr. McLaren, Toronto; Rev. J. J. Wright, Elk Lake; and Rev. J. D. Wright, Elk Lake; and Rev. J. D. Byrnes, Cobalt. Among the other clergymen present were: Rev. J. A. Donnell, Haileybury; Rev. J. McDon-ald, Latchford; Rev. F. W. Mahaffy, Parry Sound, Rev. P. Brydon, Powas-san, and Rev. John Sharp, New Lis-

When James Barnett was convicted is about as melodramatic as its early record. Purchased by the late George Gooderham and T. G. Blackstock for \$700,000, it amply justified the faith displayed by its new owners. Fine new bodies of ore were opened up and the outlook for the mine was splendid. But the company which was formed to take over the property was too highly unlaw-

capitalized, and too much water-not in the mine, but in the stock-brought disaster. Investors and speculators ev-erywhere rushed to secure holdings in the Crown Point Mining Co., for such was the proposition called. Money was poured with a lavish hand into a horde around the War Eagle like Jackals around a lion. The tremendous expen-diture could not last, and finally came the inevitable crash, in which all suf-"The fame of Rossland penetrated court.
