

SEPARATE AUXILIARIES.

ST. JOHN'S EAST, NEWFOUNDLAND.

We are thankful to report that the past year has been one of the most successful in our history as an Auxiliary. Our monthly meetings have been unusually well attended, and have been both interesting and profitable. During the year mite-boxes were distributed amongst the members, from which source our funds were largely supplemented. We enter upon the duties of the coming year with renewed zeal, realizing that we are "workers together with Him."

"GLADY'S" MISSION BAND, ST. JOHN'S EAST.

The "Gladys" Mission Band is still at work for the Master. Sick visitation during the past year has been of real help both to visited and visitors. Our "talent" money was devoted to a worthy cause, that of procuring nourishment for the sick in need, and of giving proper apparel to children detained from Sabbath School through lack of it. We have thirty-one names now on our roll.

ST. JOHN'S WEST, NEWFOUNDLAND.

It is with pleasure and gratitude to the goodness of God that we come to the close of another year. Our Father's smile has rested upon us. Meetings held regularly every month; all most interesting, especially public ones; collections good; several new members. It is with a degree of sadness that we have lost as our President Mrs. Steer. Owing to trying afflictions, she felt it more than she was able to be, and could not longer fill so important and public a position in connection with our Society. May God's blessing rest upon her. Mrs. Steer has been President since ever the Society started.

We were delighted to hear through the year from Miss Hart, Japan, and our girl, O'Leiy Aruga. We have a very interesting and flourishing Mission Band.
