## Report of the Board of Managers

For the Year 1892.

To the Members and Adherents of the First Presbyterian Church:

Your Board of Managers in presenting their Annual Report would recognize with gratitude the goodness of the Great Head of the Church towards us throughout the past year.

We have great satisfaction in being able to announce that the Congregation has enjoyed great financial prosperity during the year just closed. Our revenue for carrying on the ordinary work of the Church as shown by the Treasurer's Report is \$4,367.83, a sum exceeding that of any year in our past history. We are therefore pleased to state that we have been able to meet all liabilities, pay \$300.00 on mortgage, thus reducing our indebtedness to \$2,500, and have a balance in our favor of \$82.82 in the Treasurer's hands. The results for quarters are as follows: First quarter, \$1,099.50; second quarter, \$1,122.59; third quarter, \$1,030.50; fourth quarter, \$1,115.24; total \$4,367.83; \$3,772.33 of which is from envelopes, and \$595.50 from open collections.

It may be here stated that several amounts that were unforeshadowed at our last annual meeting were contracted during the year and have been paid. Were it not so, our indebtedness would have been reduced by at least \$700. Of the amount here referred to, a sum of \$319.06 was paid for repairs to the Waterloo Street South Sunday School, for this outlay however the Congregation have no cause for regrets, as the School is in a very prosperous condition and we have every reason to believe that good work is being done there. Another unavoidable outlay is the item of \$100 for an organ for the Pastor's Choir; this also is a pleasing investment and is showing results, at least commensurate with the expenditure.
