Astonishing Conditions Revealed in Boston City Hall—Mayor Wants Action

Boston, Dec. 9.—A report by George A. Flynn, assistant corporation counsel, to Mayor Curley, in regard to loan sharks

and their dealings with city employees, disclosed such a startling condition of affairs that the mayor, directly after reading it, sent a request to Mr. Flynn that he make complaint to the supervisor of loan agencies against two lenders mentioned in the report, for violations of the Small Loans Act and the rules and regulations of the Supervisor of Loan Agencies under the provisions thereof.

Mr. Flynn, in his report, cites several examples, one of the most astonishing of which was the case of a city employee, who fourteen years ago borrowed \$10 and still owes it to the money lender, although he has paid him out in interest the sum of \$373.82.

Another man, three years ago, borrowed \$10, still owes it, although \$80.04 of his wages have gone into the pockets of the money lender.

The report says that in every case the difficulty began with a loan of \$10, on which a charge of \$2.18 a month was made until about a year ago when the Supervisor of Small Loans fixed the maximum charge at \$1.50 a month.

One employee has paid these rates of interest on a \$10 loan every month for the last eight years and still owes the \$10. In almost every instance the initial loan was obtained to meet some emergency, usually sickness, either of the employee or of a member of his family.

Mrs. John B. Robinson.

was unexpected. Before her marriage she was Miss Bridget Foster, daughter of the late Michael and Bridget Foster, of Fredericton.

The late Frank H. Foster was a brother.

GRAY HAIR BECOMES DARK, THICK, GLOSSY
Try Grandmother's Old Favorite Recipe of Sage Tea and Sulphur

Almost everyone knows that Sage Tea and Sulphur, properly compounded brings back the natural color and lustre to the hair when faded, streaked or gray; also ends dandruff, itching scalp and stops falling hair. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle for about 80 cents. Everybody uses this old, famous recipe, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

er, and she is the last of her family. She is survived by her husband, who is a retired I.C.R. employee, and one son James, who is employed as a machinist at the St. John Iron Works.
