

THE BIG LEAGUES

Pittsburg Takes Double Header
From League Leaders

Red Sox Trim Tigers

The Yankees Have Lost for a
Time Another Good Player in
High; Cleveland Wins Opening
Game From Philadelphia; Giants
Win From Cubs

Pittsburg played like champions and defeated the league leaders in a double header. The Dodgers still retain a comfortable lead over the Phillies and Braves.

Rudolph is back with the Braves, having joined them in St. Louis on Tuesday. If he can regain his former effectiveness he will help the team on its road pennantward.

The Giants won the opening game from the Cubs as a result of the latter team's poor base running. It looks as if McGraw is determined to win the pennant this year, even if he has to take it by "right of might." He is certainly making things lively on the circuit.

The Yankees have a hoard in their ranks. Another player, outfielder High, has joined the injured list. If Donovan can retain his lead in the face of so much hard luck he deserves all kinds of credit.

The Red Sox are playing like champions and are not far behind the leaders. To take a double-header from the Tigers is something to be proud of.

Cleveland has broken its losing streak and may regain some of the ground lost in Washington. Tom Daly is apparently giving entire satisfaction behind the bat for he looks like Fohl's second choice.

Canadian Champion Injured.

Frankie Fleming, champion featherweight of Canada, is in a serious condition, following an automobile accident nine miles from Leptide. Fleming's racing car toppled over a fifty-foot bank, with the pugilist inside, and rolled to the bottom. Fleming was found unconscious, but it is thought no bones were broken, although he is badly cut and battered, and will be laid up several weeks. Fleming was on his way home from Plattsburg, with "Bob" Powers, his brother-in-law, in his two-passenger car, recently purchased. Powers was able to jump and escaped.

BASEBALL.

Boys' Club League.

In a game last night the Beavers defeated the Alerts, 12 to 9. The batter-

ers were: Beavers, Gill and Arnold; Alerts, Cromwell and Boone. In the juniors' game, the Maples won from the Glants, 12 to 8. Carney and Yeomans operated for the Maples and Foster and Gaudet for the losers.

The Cubs Sign Wortman.

Chicago, July 19.—Wm. Wortman, Kansas City's star shortstop, has been purchased by the Chicago Nationals. It was announced Tuesday at a price said to be higher than the \$25,000 value given by the Pittsburgh nationals some years ago for Marty O'Toole. The amount of cash, however, and the names of the three players involved in the deal, were not announced.

Wortman, besides being a shortstop, of

is hitting about 300, and has the unusual record of having played three years without missing a single inning. Meanwhile negotiations for Charles Herzog, the Cincinnati manager, are going on in Cincinnati where President Weeghman went Tuesday.

A Great Baseball Family.

The greatest family in baseball is the Coveleskie brothers. They are Stanley of Cleveland, Harry of Detroit, and yet to be heard from are Frank, pitcher and outfielder, and John, third baseman.

Harry and Stanley, from out of the depths of the coal mines of Shamokin, Pa., are the twirling stars of their clubs. Harry of Detroit is the older and bigger. He is twenty-nine years of age, six feet tall, and left-handed. Stanley of Cleveland is twenty-seven years old, 5 feet 10 inches in height, and right-handed.

Harry has won twelve games and lost five for the Tigers.

Stanley has won twelve and lost five for the Indians.

They have never faced each other on the diamond. Once they were scheduled to meet, but Harry declined to try to beat his kid brother.

Giants Cause Riot.

St. Louis, July 18.—Peeved over the loss of yesterday's ball game, McGraw

"ticked" Catcher Kocher on Gonzales, the Cardinals' Cuban backstop, at Robinson Field yesterday afternoon. The mix-up resulted in a riot call which brought a score of police. Gov. Tamm witnessed it from the stands.

Kocher boldly attacked Gonzales in front of the Cardinals' dugout during the eighth inning. Artie Butler caught Kocher under his arms and pulled him away after the fight had extended to the home plate.

Kocher began yelling "police," and some one in the stands sent in a riot call. In a hurried conference between Huggins and Gonzales before the police arrived, the latter was instructed to prefer a counter charge against Kocher. A minute later the fighters were surrounded by police.

While at the Dayton street police station the belligerents cooled off and the matter was amicably adjusted.

ATHLETIC.

Great Runner Shot in Thigh.

London, July 17.—Captain A. N. S. Jackson, a famous Oxford foot racer, who won the 1,500 metres race at the Olympic games in Stockholm, is among the athletes to be wounded. Captain Jackson was shot in the thigh in one of the engagements on the Somme.

His chances for recovery are excellent, though it is hardly probable he will ever be able to run again.

RING.

Leonard Will Meet Walsh.

New York, July 19.—Benny Leonard has been selected as the opponent for Freddie Welsh at Washington Park the night of July 28.

Labor Day will be labor day indeed for Frank Moran. He will meet Carl Morris on that afternoon. Carl may not be the greatest fighter in the world, but he has a way of landing them on the jaw in discouraging fashion.

TENNIS.

Semi-Finals Played.

In the semi-finals of class C tournaments at the Y. M. C. A. courts yesterday afternoon Raymond defeated Atherton 6-2 and 6-0. The finals in the other two classes, which were to have been played, were postponed until today.

THE TURF.

Moosepath Races.

Fully 1,000 people attended at Moosepath yesterday and witnessed some excellent racing. The first event was a time of game, 3 hours. Umpires Howard and McKinnon.

Tonight—Roses vs. Maples.

After The Game.

The casualty list continues to assume alarming proportions and it looks as if a "first aid" emergency hospital would be a valuable acquisition. Five accidents in one night is certainly going some.

Hegarty, the Shamrock's star fiddler, fell over "Dead Man Hill" and sprained his right ankle; Lenihan fell from some boulders and when he returned to the bench one of his fingers had to be put in splints; Joe Dever was struck on the toes with a batted ball and the game was called until he hopped around and got the blood circulating again; Knudson tried to imitate Jobbie's wind-up and nearly lost his arm.

Part of the Shamrock's shifting of the line-up was due to the mysterious disappearance of McGraw. He was last seen looking for Willie's scalp.

An enthusiastic fan named Dan was seen to precipitate himself from the top seat in the grand stand and become leader of a lot of rioters who resented one of the Ump's decisions.

The Royal rooters were out in force cheering their favorites. Rooting is a good thing at any ball park, but the fans should refrain from personalities.

Her Last Corn Ache

When pain brings you to Blue-jay, it means the end of corns.

Blue-jay proves that corns are needless. And never again will you let a corn pain twice.

THISTLES WIN EXCITING GAME

Defeat Shamrocks in St. Peter's League; Several Minor Accidents Delay Game

In St. Peter's League last evening the Thistles defeated the Shamrocks by a score of 9 to 1. The game was called at the end of the eighth inning on account of darkness. Knudson started to pitch for the Shamrocks, but pulled a tendon in his arm and was replaced by Phil Perry, who later resigned in favor of Elliott. McGuigan was on the mound for the Thistles and after the first inning held his opponents ransom.

AUSTRALIANS SOLVE THE TIMING PROBLEM

Starting and timing races, two things that have caused no end of controversy and trouble in this country, have been worked out successfully in the Antipodes, says an Australian named Robertson, until the public has no complaint to register. Australian tracks have the starting gate, the same as in this country, but the barrier is stretched right across the starting point instead of twelve to fifteen yards back, as is our practice. Horses are schooled to standing starts. No assistants with bull whips to frighten and abuse the horses are permitted.

The biggest improvement, however, is the timing. A large clock, with a dial three feet across and six feet high, is on the judges' stand, in full view of the spectators. On the same motion that the starter releases the barrier, the clock is automatically started. When the horses finish there is a man stationed to stop the clock. In this manner there is no chance of missing the time. The system is used both for the runners and trotters.

War Economy Tip

Robert Newlin, of St. Clairsville, Ohio, estimates that by wearing whiskers for thirty-three years he has saved himself at least \$1,000 in barber's costs. His example is held up as a war-time economy tip.

There are two ways by which people who suffer from indigestion, dyspepsia, sour stomach, flatulence, etc., can overcome the trouble. First, as practically all cases of the above are directly or indirectly traceable to acidity and fermentation, they can eliminate from their diet all foods which ferment and form acid, such as all starches and sugar and foods containing them, thus prohibiting bread, potatoes, fruits and meat meats. About the only safe foods are gluten breads, spinach and small quantities of white meat of chicken or turkey. This diet is almost a starvation one, but it is sometimes quite effective. The second way, which appeals especially to those who like to eat hearty meals of good food, is to eat whatever is reasonably digestible, neutralize the acid and stop fermentation by the use of a good antacid such as bisulphated magnesia, a teaspoonful of which in a little water immediately after eating or whenever pain is felt, instantly neutralizes the acid, stops the fermentation and permits the stomach to do its work without pain or inconvenience. Owing to its simplicity, convenience and effectiveness this latter plan is now being adopted, instead of the old fashioned, expensive, weakening starvation process. In this connection it is interesting to note that since the widespread use of bisulphated magnesia was established, many druggists have arranged to supply it in 2 gr. tablets 5 of which are equivalent to a teaspoonful of the powder form and are much more convenient to carry.
