those who stout and cast his influence
upon the entire world.
My collaborators are all young men.
I have three under-secretaries of state, who have hardly passed 30. There is a great advantage in youth. It is filled with enthusiasm to achieve. It may be argued that it lacks experience, but it
At one of the palaces where he does this daily work, Premier Mussolini has admitted to his presence. He tells why in Monday's article in The Times-Star. He also tells of the many extra-office duties attendant upon his position

a start and a start of the star
