ties in the vicinity of Jackson, Calif., | are searching for an old mining tunnel Imperial Theatre to Revel in for ten days, handcuffed and bound according to a message to the Examin- Hall, West End.

Alec Campbell, the grey-haired pipermajor of the Fighting 26th and during his residence in native Scotland a member of the pipe band of Lord Breadalbane and a frequent piper for the Campbells of Glenorchy, will don his tartans tonight and for the remaining evenings of the week give a real Scottish skirl to the presentation of Sir Walter Scott's "Rob Roy" at Imperial Theatre. Kathryn Gallivan will sing "Mary of Argyle" and "Within a Mile of Edinboro Town" and the cheekstra will hold a high revel in the sentimental music of Scotland. The risoner is said to have made a fruitless attempt to locate the tunnel saying that he placed Oleson in the tunnel at night, and now is lost in the maze of old mine workings.

emotional scenes of that famous rom-ance. Furthermore it is a photogra-phic classic in which some of the most beautiful scenery in all Scotland's de-picted. Quite aside from the absorb-ing story the picture will be apprecia-ted for its natural grandeur. London Finds Women Can Keep a Secret

London, Nov. 28—Election canvassers in Great Britain have found that a woman can keep a secret after all. They are complaining that while it always has been and still is possible to draw from the men some idea of how they are to rade it rarely is easy quently the canvassers cannot frame anything like a close estimate of the result of the polling on Dec. 6.

Scalloped Potatoes with Cheese

Kraft Cheese makes this taste like a new dish. Put into a buttered baking dish alternate layers of sliced, boiled potatoes and white sauce. Season with salt, pepper and a little chopped green onions. Put over the top a layer of Kraft Canadian Cheese, rubbed through strainer, and then a layer of buttered bread crumbs. Brown in a moderate oven.
