## TABLOID COMPANY

START SECOND WEEK  
WELL AT OPERA HOUSE

The Belle of Arcadia Proves an  
Attractive Bill With Many En-  
cores For The Features

St. John has taken very kindly to the New York Tabloid Musical Comedy Company, as illustrated in the big audiences in the Opera House last night, notwithstanding the rainy weather. The change of bill found the clever company playing the Belle of Arcadia with a collection of capital songs, well sung; graceful dancing, unique stage effects and pretty costumes. There is an engaging story to the whole performance, and every face in the audience was bright with the enjoyment of the taking numbers. It is a very pleasing hour of wholesome fun and good music, and the people are showing appreciation of this new form of entertainment. Sympathy, sung by Miss Day and Mr. Carrier, was an artistic feature that brought a big encore. Miss Day, with the chorus, also sang Tossing Moon nicely. Mr. Ryan, Mr. Awd and Miss Robertson looked after the comedy skits and had good specialty numbers. In My Heart, by Miss Robertson and Mr. Flynn and My Sunrun Girl, by Mr. Awd, brought several encores. Mr. Carrier pleased all by his solo work, and Miss Lindlow, a very dainty soprano, was a marked favorite. Her local hits in her song, "Somebody Else," brought her back to the footlights time after time. The sextette "directed" by Miss Robertson was one of the gems and had to be sung three times before the audience would hear of the next number being taken up. Matinee and evening performances are all drawing good houses.

## WHEN A LAXATIVE IS NEEDED—"CASARETS"

Salts, Calomel and Cathartic Pills Are  
Violent—They Act on Bowels as  
Pepper Acts in Nostrils

Take a Casaret tonight and thoroughly cleanse your Liver, Stomach and Bowels, and you will surely feel great by morning. You men and women who have headache, coated tongue, nasal sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel all worn out. Are you keeping your bowels clean with Casarets—or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important. Casarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestine and bowels. Remember, a Casaret tonight will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.

## THE ALLANS NOT TO LEAVE MONTREAL

Montreal Star.—Denial was made today at the offices of the Allan Line of a rumor to the effect that the terminus of the line was to be transferred from Montreal to Quebec. Andrew Allan was not in the city today, but another official said emphatically that there was no truth in the statement.

The two new ships now being built for the Allan line will stop at Quebec, he said, "and it is this fact which has probably given rise to the rumor of the transfer of the line terminus to Quebec. These new boats draw too much water to get as far as Montreal."

MOVING TIME  
I'd like to be a landlord  
And own a little coop,  
Oh! wouldn't I do the tenant?  
I'd make him loop-the-loop.

I'd charge him twenty dollars  
For two nice cubby holes,  
Of course most all his furniture  
Must be the kind that folds.

I'd call on Monday morning  
To gather in the rent,  
And if he dare put up a kick  
He up to court he sent.

He must not have a family  
If he did they can't live there  
Because the two-cent paper  
They are liable to tear.

I'd have it heavily insured,  
About the weight in gold  
Then if a fire-bug should light  
I don't think I'd be sold.
