AMATEUR ATHLETES MUST HAVE 1926 CARDS BY END OF WEEK

STIRLING ANSWERS THREATS OF LAW PROCEEDINGS BY MONCTON CONCERNING BIDLAKE'S CASE

Says Entire Matter Must Go to C. A. A. U. Executive For Vote. Is Investigating Temple Lane's Case Over Residence Clause

THREATS from Moncton that hockey leaders there intended bringing a court action against Vice-President W. E. Stirling, of Saint John, representing the M. P. B., to show cause why re-instatement should not be made in the case of Rod Bidlake, suspended Fredericton goalie now residing in Moncton, brought forth a reply this morning from Mr. Stirling, who re-instated a Class B man, such as Bidlake is, or even grant him a temporary card until a vote had been taken by the executive of the Amateur Athletic Union of Canada. "Bidlake's application did not come to hand until last week," said Mr. Stirling, "although these players were warned last summer that they should have their papers ready as the procedure required time."

"If they expect us to rush things and break rules, they are mistaken," said Mr. Stirling. "I am getting tired of this rushing in at the last minute, and am getting to the point where the letter of the law will be enforced. Under our procedure the application for reinstatement first goes to the chairman of the New Brunswick registration committee. It is in his hands now. The registration committee secures all the evidence on the matter possible and I may say we have a man in Fredericton checking that up today. If it is worthy of recommendation for reinstatement, it goes to the executive of the M. P. B., and if the M. P. B. favors it, it is passed on to the secretary of the Canadian Amateur Athletic Union, who immediately gets in touch with the president at Winnipeg, and a vote is taken on the matter. Any proposed court action by Moncton won't hurry the case one bit, and if any one is to blame for the delay it is themselves for putting the matter off so long."

1926 CARDS READY. Mr. Stirling advised that the 1926 amateur cards are ready for distribution and that all athletes must have these by the end of this week if they expect to remain in competition. "So far I have not received application for these cards from the hockey teams at Sackville, Chatham, Moncton, and Sussex, and I wish to warn them that these must be secured. Failure to have these cards for their games will be followed by suspension," said the vice-president. This ruling applies to all juniors, intermediates and seniors, and Mr. Stirling asks that this be done at once to save any last-minute rush.

LANE'S CASE. Mr. Stirling said he had been investigating reports concerning Temple Lane, Halifax hockey player now with the local team, with respect to the five-months' suspension. "If Lane had that this transfer has been a proper and bona fide one, Lane will be allowed to play for Saint John. On the other hand, if it is not a proper one, the rules will be enforced," Mr. Stirling said.

SPECIAL PRIZES FOR TRAPSHOOTERS

If the weather man is good on New Year's Day, the trap shooters should have a very interesting match. Suitable prizes have been arranged for and will be awarded on a handicap basis, giving an equal chance to each shooter. The Fredericton Gun Club has been invited to send representatives and Sussex and Truro will also be represented. Shooting will start at 10:30 a. m., and in the afternoon at 2 p. m. sharp. All targets will be trapped at a 16-yard rise and all contestants are requested to be on time. The prizes are: first, a turkey; second, goose; third, a chicken.

COLUMBUS PARK SOLD. COLUMBUS, Ohio, Dec. 28.—The Columbus Driving Park, which for the past 33 years the Grand Circuit harness races have been held, was sold to a realty company yesterday for subdivision into residential property. The sale price was given as \$306,000, but the name of the purchasing company was not made known. A purchase of the park will be held to dispose of the barns, grandstand and other property. The sale of the driving park marks another step in the passing of harness racing in Columbus. The Grand Circuit meeting here this year was all but called off for lack of attendance. During the closing days of the meeting, the admission charge was lowered and then removed, but with no apparent result.

CLEGHORN BACK. BOSTON, Mass., Dec. 28.—The St. Patrick's of Toronto, and the Bruins of Boston, will clash at the Arena tonight, to decide which is entitled to the cellar position in the National Hockey League. The clubs, with two victories each, since the season opened have been slow in hitting a winning pace. Tonight's game will be their first meeting on local ice this year. The Bruins, one of their two victories at the expense of St. Pats, in Toronto. Art Ross, manager of the locals, promised today that Sprague Cleghorn, veteran defence man, who has been out several weeks with injuries, will appear on the ice tonight.

VANCOUVER BEATEN. VANCOUVER, B. C., Dec. 29.—In a lightning fast hockey game here last night against Vancouver, Edmonton ran away with the game, 5-1.

Thunburg To Try For Records In Two Events At Newburg

Along The Sport Trail

By JOHN J. DUNLOP

NOT CONTENT with giving New York a real thrill this winter through the introduction of Canada's national game, leaders of the Montreal Maroons hockey team are said to be planning a tour of Europe by the Maroons and another N. H. L. team in a sort of missionary enterprise but lack of suitable rinks on the other side probably will compel cancellation of the trip. The trip, it is said, would be made in April but at that time of year there is no ice in Great Britain and France and there are no artificial rinks save a small rink in Manchester and a circular rink in Paris, 120 feet in diameter. There are also artificial rinks in Madrid, Milan and Antwerp. But it would be too late in the year for other points. The only suitable time would be January but the teams here find this inconvenient. According to one of the Toronto papers, an invitation to Canadian amateurs was extended by European officials but none were willing to take the time. The Canadian Olympic teams of 1920 and 1924 gave the European fans a real taste of hockey and exhibitions by the big professional teams undoubtedly would prove great drawing cards. But how it is to be arranged under existing circumstances seems to be out of the question just now. John McGraw and Charlie Comiskey endeavored to show the natives how fast baseball can be played a few years ago on the other side but baseball is making little if any headway on the other side. On the other hand, hockey is in great vogue and growing by leaps and bounds. Maybe by the time peace is finally settled and most of us have grey hair, they'll be playing for the international championship with a team from Europe entered.

THE POLICEMEN should have a gala night at the Victoria rink on January 8 for their winter sport meet. As ticket sellers, the cops have Tex Rickard beaten a mile.

MESSRS. ZIEGFELD and Carroll, whose shows of feminine charm are noted as the best in the world, are considering a petition to the Mayor or other responsible parties to put a curb on the hockey tendencies of one Mr. Tex Rickard and his boys at the Madison Square Garden. The other night, Mr. Ziegfeld counted the hockey fans and gate-men and wanted to know the reason. In one breath, they said "Hockey." Mr. Ziegfeld, so this imaginative story runs, called up Brother Carroll's theatre but found the line busy. It was busy for nearly half an hour and when Mr. Ziegfeld did get through someone at the other end asked him if he had heard that New York had beaten the Pirates. This is a beautiful picture and a trifle overdrawn but there seems little doubt about New York's wholehearted welcome to Canada's great game. The T. B. M. (Tired Business Man—not Try Bootleggers' Misery) of Gotham is turning out in full force to see Messrs. Billy Burch, Shorty Green and Red Green (did you ever hear of such a combination outside of Xmas) skate up and down the ice until the railbirds get a headache watching so many stars and stripes wave before them. There were 10,000 out at Saturday night's game when they won their first victory and boy, how those rafters rang. What's good for the New York T. B. M. must be good for Saint John. On New Year's Night here, Saint John's own team makes its bow at the Arena. If we are to put the game on its feet here permanently, we must help the boys with a little vocal encouragement. We can't have the Governor General's Footguards Band down but we are going to have the Saint John Fusiliers. And some of the boys in the street say the Fusiliers have it all over the Ottawa crowd.

JACK DEMPSEY, they say, is a lonely man these days. He's so lonely they say he is taking up ventriloquism to talk to himself.

THE University of New Brunswick Club at Fredericton has issued an attractively arranged booklet for the long points with either forth, chiefly the rugby team's brilliant season and other activities of student life at the provincial college. The booklet is splendidly illustrated with photographs of the football, hockey, basketball and debating teams and much space is given to write-ups of the game in Montreal when the team lifted the MacTier Cup. Speaking about Paul Fraser, the local boy, who led the team to such dazzling victories, the booklet says: "Hailed by the press as 'punter dynamite' and 'the greatest two-footed kicker ever seen in English rugby in Eastern Canada,' Paul has lived up to this reputation for the past four years as a regular player of U. N. B.'s back division. He has played a total of 25 games, nineteen being wins, three tied and three lost by narrow margins. For three years he has done all the penalty kicking and converting, kicking the ball over the bar 84 times for a total of 72 points, or one quarter of the total score of 276 points in the twenty-five games. Always a cool, clean player, Paul has a strong punting foot, was the cause of much applause. Captain Paul Fraser was also a regular of the 1925 U. N. B. hockey and basketball Maritime Inter-collegiate Champions. He is also a member of the 1925 track team. Like the majority of great athletes Paul is quiet and modest concerning his ability, always ready to give the credit to his fellow players. Worshipped by the school boys, standing high in his studies and very popular with the student body, Fraser is probably the most widely known of the captain U. N. B. has ever had. Much credit also is given 'Bill' Donohoe, another Saint John boy, captain-elect of the 1926 team.

J. S. Malcolm and G. B. Rivers Remembered by Thistle Curlers

The regular monthly meeting of the Thistle Curling Club was held last night in their rooms with the president, Dr. D. C. Malcolm, in the chair. Frank Wry was elected a member. Afterwards vice-president, R. M. Fowler, called John S. Malcolm to the front and presented him an address of congratulation on his selection by the club to represent them on the all-Canadian curling team, which will leave Saint John on Jan. 1, to curl against the crack curlers in Scotland. On behalf of the Thistle members, Mr. Fowler presented Mr. Malcolm a fine leather travelling bag. Mr. Malcolm received the gift with a short address of thanks. George B. Rivers, another member of the club, who is leaving the city to take charge of a branch of the McCleary Co., London, England, and who will proceed on the steamer Montross next Friday, presented a sterling silver cigarette case.

LEAGUE TO MEET. The City Bowling League members will meet in the rooms of the International Correspondence School. Market building tomorrow evening at 8 o'clock for organization purposes. It is expected that the league will start immediately with a good number of teams.

AMHERST TAKES OPENER. OXFORD, N. S., Dec. 29.—Amherst, last year's winner of the Central section of the Maritime Amateur Hockey Association, opened the central section here last night, with a 5-4 victory over the local team.

FINAL EVENTS FOR STOCKING FINN RUN OFF

Gorman Wins 440, And Logan Takes 3-mile And Turkey

Charlie Gorman and Willie Logan were the winners at the skating meet on Hilton Belyea's rink, last night, in aid of the Empty Stocking Fund. Gorman won the 440 yards event and Logan the three mile event. Snodgrass was second in the 440 yards dash, the time being 40-3-5 seconds. Gorman was second in the three mile and Snodgrass was third. The time was 9 min. 58 sec. Logan also won the lap prize, a turkey, donated by G. W. Kierstead, leading for 12 laps. Snodgrass had the lead in nine laps. The rink band gave their services free and played several selections during the evening. The summary of events shows that Gorman won the 220, 440, 880 and mile and placed second in the three-mile and for a total of 140 points out of a possible 150. Logan was second with a total 110 points. Ed Snodgrass finished third with 90 points. The Times-Star committee desires to express its hearty appreciation to Hilton Belyea, whose idea it was in the first place, to the skaters who gave of their time and talent; to the officials who ably handled the events and to the sporting public who helped put the project over in splendid style.

SUSSEX LOSES AT MONCTON BY 5 TO 3

Local Team Picked For Opening Game in Sussex Tomorrow Night

The Saint John team that will open its season at Sussex tomorrow night will be picked from the following players: McPhee, Hallissey, B. Gilbert, Lane, Thomson, Boudreau, McPhee, Mountain, Short and Fraser. McPhee will start in goal with Hallissey and Gilbert on defence, and with Lane at centre ice with Thomson, Kiley and Fraser on the forward shift. The first game of the season here is on New Year's night when the Moncton Athletics will be guests.

The Athletics beat Sussex last night, 5 to 3, but not till after a bitter struggle, and Wednesday night's game is expected to be close-fought. Sussex is counted on to put up a great struggle on their home ice, and the locals will have to take the top four to make the decision. Last night's game at Moncton formally opened the southern section of the M. A. H. A.

The Moncton team played a good game, the period ending with a score of 4 to 2 in favor of the locals. Sussex scored another goal in the first period, while the Athletics increased their lead to five.

RADCLIFFE'S FINE WORK. The Radcliffe brothers did good work for the Sussex team. Lutz also played well, but scored accidentally for Moncton. For Sussex had a busy time, but made a good showing.

WILSON, in goal for Moncton, also made some excellent stops, while Gould, Lane and Basterache proved good stick handlers.

The line-up follows: Moncton—Wilson, goal; Wilson and Keirvan, defence; Gould, Lane, A. Basterache, Cole, Wall and E. Gould, forwards.

Sussex—D. Roach, goal; P. Radcliffe and J. Fraser, defence; H. Radcliffe, N. Lutz, C. Brooks, E. Fryer and E. Friars, forwards.

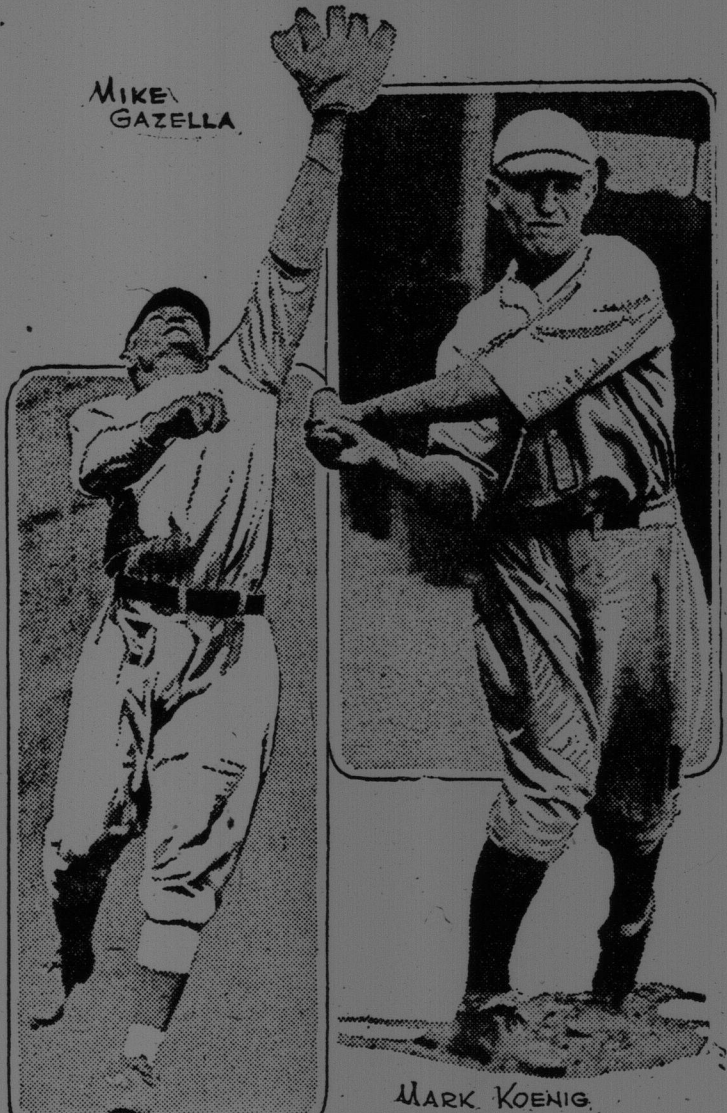

Buzz MacLeod handled the whistle. AT SACKVILLE. SACKVILLE, Dec. 28.—The Moncton Rovers, one of the new entries in the central section M. A. H. A., defeated Sackville in an overtime game here tonight, 7 to 3. Sackville had the better of the play in the first period, which ended 1 to 0 in their favor. The second period ended in a tie, 3 all.

DIVIDED HONORS. NEW YORK, Dec. 29.—Canadian and United States universities opened a four-game international hockey series here tonight at the Madison Square Garden today and tonight after the "hiss" curtain had been rung down on a pair of the tiffs, two remained on an even footing. The United States Jockeyed into the lead this afternoon when Boston College took the measure of the University of Montreal team by a score of 4 to 2, but tonight the ferocious Princeton Tigers met a more vicious hockey team in Royal Military College and the Canadians won, 3 to 1. Tomorrow afternoon R. M. C. meets Boston and the final match of the series tomorrow evening will see Princeton facing University of Montreal.

CHAMPS VICTORS. TRURO, N. S., Dec. 29.—By a score of 2-0, the Truro Bearcats, holders of the Maritime Amateur Hockey title, beat the Windsor, N. S., team in an exhibition match here last night.

STAGE GREAT FINISH. OTTAWA, Dec. 29.—Sons of Ireland, Quebec City's entrant in the Quebec Amateur Hockey Association, won a bitterly fought league game from Ottawa Canadians here last night by a score of 4-3. Canadians closed fast, scoring two goals to tie it up in the final period, but Sons came again with only a few minutes to go, and took the odd goal in seven to win the fixture.

Coming To Yankees

Mike Gazella, persistent manager of the New York Yankees, has set his heart on having a good shortstop and he banks on Mark Koenig, St. Paul flash. He is also going to have Mike Gazella on hand for emergencies.

GORMAN AWAY TODAY TO RACE OLYMPIC STAR

Some Talk of Securing Prominent Skater to Help Gorman

CHARLES GORMAN, Canadian skating ace, suffering from a heavy cold, leaves today for Newburgh for his first test of the 1926 season when he competes in a one-day meet there against Clas Thunburg, Olympic champion, Joe Moore, Charlie Jewtraw, Paul Forsman, Valentine Bialis and the pick of the skaters on this side of the water. It is not definitely known whether Thunburg will appear in the shorter distances but will confine his efforts to the five and three-mile events and will endeavor to set new records. Gorman expects to return immediately after the Newburgh meet and settle down to a hard grind for the big meet. There is some talk of getting a prominent trainer down here to handle Gorman in his workouts and the idea when first suggested was heartily approved. The man in mind is one of the fastest in the world and would give Gorman much-needed competition.

MUCH PUBLICITY. The Finnish star is attracting great publicity in the New York papers and the Sunday sport supplement of the New York Times, carries two large pictures of him, one in which he is shaking hands with Ray Murray, who can be remembered here as having competed in the 1922 meet here. Thunburg, from his pictures, is no beauty. He is built along stocky lines like Gorman.

Thunburg went through his second drill on Saturday last on the Notick Ring, 18th street and Riverside drive, and impressed a large crowd of skaters with his speed and wonderful form. Thunburg plans frequent workouts at rinks in preparation for the extensive tour, which is being arranged for the length of his visit to this country. Like Paavo Nurmi, remarkable Finnish runner, who visited this country a year ago, Thunburg is being flooded with offers of engagements in this country and Canada, and he is promised an extremely active program if he accepts the invitations being extended to him. The Finnish skating star is scheduled to participate in the Middle Atlantic skating championships to be held New Year's Day at Newburgh, N. Y., according to announcement made by Middle States officials.

On Jan. 14 Thunburg is scheduled to engage in a three-mile race at Madison Square Garden in which his rivals probably will be Moore, Gorman and Charlie Jewtraw, another American. Four days later the Finnish skater is scheduled to take to the ice in a mile test, the Garden and on Jan. 26, 27 and 28, according to the itinerary announced for him, Thunburg will participate in the world's championships to be held here.

George M. Lawson was awarded the contract for the construction of the grandstand for the world's championship skating meet at Lily Lake at a meeting of the committee yesterday afternoon. The tenders were considered at the office of Garnet Wilson, the architect, and Mr. Lawson's bid was found to be the lowest. The big structure will accommodate 4,000 people, and will have 58 boxes. Construction work will be begun immediately.
