

THIRTIETH ANNUAL REPORT
—OF THE—
BOARD OF MANAGEMENT
—OF—
ST. ANDREW'S CHURCH, LONDON,
For the Year 1880.

The Managing Committee, in submitting their Annual Report, desire to acknowledge their thankfulness to God for the state of prosperity which, under His blessing, the congregation has attained, for the renewed health of their esteemed Pastor, and they, with the congregation, desire to express their heartfelt sympathy at his recent family affliction, and trust that Mrs. Murray and he will receive that comfort in their bereavement which can alone be received by a close communion with God.

Your Committee notice with regret the condition into which the Cemetery had been allowed to fall, and this summer secured the services of an efficient man, and by this means it has been greatly improved.

The thanks of the congregation are due to the Choir for their increased efficiency in the service of praise.

The Church has been altered so as to increase its sitting capacity, and the place for the Choir improved, which incurred an expenditure of \$310.27 ; and the grounds have been kept in proper condition by the introduction of the Waterworks.
