

SIXTY-SIXTH ANNUAL REPORT

OF THE

QUEBEC FEMALE COMPASSIONATE SOCIETY

FOR THE YEAR NOW ENDING 1886-87.

The ladies composing the committee of management of the Quebec Female Compassionate Society, beg to lay before their subscribers, the report of the past year.

The Society during this year has to record the death of its esteemed and lamented Lady Patroness, Madame Tessier, also that of Madame Pierre Garneau, for many years one of our Directresses and an active member of the Society.

Lady Stuart has kindly consented to become our Lady Patroness.

The ladies of the committee have the satisfaction of informing their subscribers, that notwithstanding some of the wards have not been collected, owing to the difficulty of finding ladies to undertake the duty, the Society is in a prosperous condition, and that thanks to their generous contributions, they have been enabled to help without distinction of origin or creed, all persons applying for assistance.

The Directresses trust that Providence will bless their efforts as heretofore, and the public continue the generous aid hitherto accorded them and thereby contribute to support a Society in existence since 1820.
