

REPORT
OF THE
MANAGING COMMITTEE
OF
St. George's Society,
FOR 1871.

The Committee of Management of the St. GEORGE'S SOCIETY of Toronto, have much pleasure in submitting to the members, at this their Thirty-seventh Annual Meeting, a report of the proceedings of the Society for the past year, and in being able to congratulate them upon the very satisfactory condition of the Society's affairs, as exhibited in an increase in the membership, and in a very substantial augmentation of the funds placed at the disposal of the Committee for the beneficent purposes of the Society.

The total receipts from all sources, inclusive of \$361 77 on hand at the beginning of the year, amounted to \$2,709 70, of which \$100 were the proceeds of a Debenture which became due, and \$90 more Life Members' subscriptions both which sums belong to the Society's permanent investments. Among the receipts, it is pleasant to notice that the sum of \$16 00 was received back from former recipients of relief, an example which may be commended to many others who, it is believed, are quite able, but not so mindful of their obligations.

The total disbursements amount to \$2,555 84, leaving a balance still in the Treasurer's hands of \$153 86, in addition to the sum of \$300 temporarily deposited at interest,
