AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

Worcester, Mass., 20th Dec. 1856. Dr. J. C. AYER: I feel bound to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a cold, is your Cherry Pectoral.

It is constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBER KNIGHT, M. D.

A. B. MORTLEY, Esq. of Troy, N. Y., writes: "I have used your Cherry Pectoral and in my family ever since you invented it, and believe it the best medicine for its purpose ever put out with a bad cold. I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BOSTON: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of Whooping Cough, Croup, and the various diseases of children. We of your family in the South appreciate your skill, and commend your medicine to our people. HIRSH DONKELIN, M. D.

AMON LEE, Esq. of Worcester, Mass., writes: "I had a cold, Influenza, which continued me in bed for a week. I took many medicines without relief, finally tried your Pectoral by the advice of our clergyman. The use relieved the distress in my throat and lungs; less than one half the bottle made me completely well. Your medicine was the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicine, as the poor man's friend."

Asthma or Phthisis, and Bronchitis. WASHINGTON: I feel bound to say the best remedy I have ever found for Asthma, Phthisis, and Bronchitis, is your Cherry Pectoral. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. HENRY L. VANCE, Merchant.

A. RAMSEY, M. D. of ALBANY, MONROE CO., IOWA, writes, Sept. 8, 1856: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its extensive use.

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no longer can reach, but even to those the Cherry Pectoral affords relief and comfort.

AYON HORN, New York City, March 5, 1856. DECEASED AYON, Loretta. I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of consumption, which she could not cure by any other means. She was steadily failing, until Dr. Strong's Cherry Pectoral, which we have used for several weeks, has effected a cure. We thank his kindness, as we do your skill, for she has recovered from that day. She is not yet strong as she used to be, but is free from her cough, and feels herself well. Yours, with gratitude and regard, CHARLES H. KELLEY, or SERRATELLI.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cure will be as long as the high merits of its virtues.—Philadelphia Ledger.

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have been taxed to their utmost to produce this best, most perfect purgative that is known. Its medicinal properties are shown that these Pills have virtues which surpass in excellence the ordinary medicines, and that they will unobtrusively upon the system of all men. They are safe and pleasant to take, but powerful in their operation. They stimulate the vital activity of the blood, remove the obstructions of the organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distempers, stimulate sluggish or disordered organs into healthy action, and impart healthy tone and strength to the whole system. Not only do they cure the ordinary complaints, but they are also the best remedy for the most dangerous diseases that have afflicted the best of human skill. While they possess powerful medicinal properties, they are so mild and unobtrusive, the safest and best physic that can be given for children.
