VARITIES

Lady: "You seem to know all the gossip of the neighborhood, Parker!"

"Yes, ma'am. My young man is a post-man, and reads me all the post-cards."

An enthusiastic miss exclaimed, as the sun broke through a shower: "What an elegant trimming that rainbow would make for a white over-dress."

The woods which are heavier than water are Dutch box, Indian cedar, ebony, lignum-vitae, mahogany, oak, pomgranate, vine, lignum-vitae, and the lightest wood products.

The secret of running a boarding-house profitably is to find out just what your boarders don't like, and then feed 'em lots of it.

MORE PRESSING THAN SICKNESS.

As a Woodward avenue car was going north the other evening with a young lady and old gentleman as sole passengers, she exhibited symptoms of impatience at the slow progress made. The car had to halt for a team on the track, and she would have got off but for the gentleman, who said:

"It's for only half a minute—don't be impatient."

Then the car waited two minutes on a switch, and she put her head out of the window, walked up and down, and was on the platform when he said:

"There comes the other car. You seem so impatient that I am led to believe that some of your family are sick. Is it so?"

"They are all unusually well," she replied, as she took her seat again.

One block more and the car left the track. She waited half a minute to see if it could be halted on again right away, and then she started to go.

"It will be all right in a minute," protested the old gentleman.

"Can't see it," she curtly replied.

"Then you will go?"

"I will."

"And it isn't sickness?"

"See here," she said, standing on the lower step, "if you are dying to know the cause of my hurry, I will tell you. My fellow is to be at the house at 8.30, and I'm not going to run the risk of losing a good offer for all the old men and all the street-cars in Detroit. There! does that make you feel any better?"

He pondered over it as the car slowed around and heaved and bobbed, and he concluded that she was perfectly correct, though a little impatient.—From the Free Press.

WHAT PAYS?

IT PAYS every Manufacturer, Merchant, Mechanic, Inventor, Farmer, or Professional man, to keep informed on all the improvements and discoveries of the age.

IT PAYS THE HEAD OF EVERY FAMILY to introduce into his household a newspaper that is instructive, one that fosters a taste for investigation, and promotes thought and encourages discussion among the members.

The Scientific American

which has been published weekly for the last thirty one years, does this to an extent beyond that of any other publication in fact it is the only weekly paper published in the United States devoted to MANUFACTURES, MECHANICS, INVENTIONS, and NEW DISCOVERIES in the Arts and Sciences.

Every number is profusely illustrated and its contents embrace the latest and most interesting information pertaining to the Industrial, Mechanical, and Scientific Progress of the world.

Descriptions, with beautiful Engravings of New Inventions, New Implements, New Processes, and Improved Industries of all kinds; Useful Notes, Receipts, Suggestions and Advice by Practical Writers Workmen and Employers, in all the various arts forming a complete directory of New Invention and Discoveries containing a weekly record, not only of the progress of the Industrial Arts in our own country, but also of all New Discoveries and Inventions every branch of Engineering, Mechanics, and Science abroad.

THE SCIENTIFIC AMERICAN

has been the foremost of all industrial publications for the past thirty one years. It is the oldest, largest, cheapest and the best weekly illustrated paper devoted to Engineering, Mechanics, Chemistry, New Inventions, Science and Industrial Progress, published in the world.

The practical Receipts are well worth ten times the subscription price, and for the shop and house will save many times the cost of subscription.

MERCHANTS, FARMERS, MECHANICS, ENGINEERS, INVENTORS, MANUFACTURERS, CHEMISTS, LOVERS OF SCIENCE, and PEOPLE OF ALL PROFESSIONS, will find the SCIENTIFIC AMERICAN useful to them. It should have a place in every Family, Library, School, Office and Counting-Room in every leading Hotel, College and School. A new volume commences January 1st, 1877.

A year's number contains 832 pages and Several Hundred Engravings. Thousands of volumes are received for finding and reference. Terms, \$4.20 a year by mail, including postage. Discount to Clubs. Special circulars, giving Club rates, sent free. Single copies mailed on receipt of 10 cents. May be had of all News Dealers.

PATENTS.

In connection with the SCIENTIFIC AMERICAN, Messrs. MUNN & Co. are

Solicitors of American and Foreign Patents, and have the largest establishment in the world. More than fifty thousand applications have been made for patents through their agency.

Patents are obtained on the best terms. Models of New Inventions and Sketches examined, and advice free. A special notice is made in the SCIENTIFIC AMERICAN of all Inventions Patented through this Agency, with the name and residence of the Inventor. Patents are often sold in part or whole, to persons attracted to the invention by such notice. A pamphlet containing full directions for obtaining Patents sent free. THE SCIENTIFIC AMERICAN Reference Book, a volume bound in cloth and gilt, containing the Patent Laws, Customs of the U. S., and 142 Engravings of mechanical movements. Price 25 Cents.

Address for the Paper, or concerning Patents, MUNN & Co., 37 Park Row, New York, Branch Office, Cor. P. and 11th Sts., Washington, D. C.

WANTED.

WE WANT reliable, energetic canvassing agents in every town in the Dominion for the new "Illustrated History of the Dominion of Canada." This work is truly magnificent, containing over 2,000 double column quarto page engravings. The work is published in 3 parts, on a plan which insures its sale to every English reading family. To energetic young men or women, who are willing to work, we will guarantee a permanent position for two years, and good pay! Don't fail to write for our private terms, sample pages, etc. This is a grand opportunity for school teachers to make more than double their salaries without interfering with their professional duties. The work is being manufactured at a cost of over \$20,000 for the literary, artistic and mechanical work of producing the plates by the old well known, reliable Lovell Printing and Publishing Co., of Montreal. All letters from agents must be addressed to the Publishers general agents as follows:

HAZEN B. HIGNEY & CO.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters

are a pure Vegetable preparation made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of Vinegar Bitters?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of Vinegar Bitters in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

If men will enjoy good health, let them use VINEGAR BITTERS as a medicine, and avoid the use of alcoholic stimulants in every form.

R. H. McDONALD & CO.,

Druggists and General Agents, San Francisco, California, and cor. Washington and Clinton Sts., New York.

Sold by all Druggists and Dealers.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Kentucky, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Indigestion of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the off-ings of Dyspepsia. One bottle will prove a better guarantee of its merit than a lengthy advertisement.

Scorbutic, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Rheumatic Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, &c., &c. In these, as in all other constitutional Disorders, VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Discharges of the Blood, Liver, Kidneys, and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Lamin and Minerals, such as Printers, Typographers, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Itches, Spots, Pimples, Pustules, Boils, Carbuncles, Ringworms, Scald Head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no salt-minerals, will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters display so decided an influence that improvement is so prompt and complete.

Jaundice.—In all cases of jaundice, rest assured that your liver is not doing its work. The only sensible treatment is to promote the secretion of the bile and favor its removal. For this purpose use VINEGAR BITTERS.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

R. H. McDONALD & CO.,
