A Private Picnic at Ivory's Crossing, Time 2.44, 2.46, 2.52, 253½, 252, 252½, 252½.

A PRIVATE PICNIC at Ivory's Crossing, 2541. Chatham Railway, was the juvenile social event of last week. It was got up by Mrs. Snowball, at whose invitation a full car load of young people proceeded by rail to the beautiful grounds in that vicinity, where they enjoyed themselves to their where they enjoyed themselves to their heart's content all day. The hampers provided by Mrs. S., were such, in regard to both quantity and quality, as are seldom enjoyed by picnickers, the occasion, from first to last, being one of a kind in which the older children who were present are willing again to "assist" whenever she

may be kind enough to ask them. THE CENTRAL FIRE INSURANCE COM-PANY :- We have been informed that in our last issue, we represented the Central Insurance Company's affairs as being worse than the facts would justify. We said that owing to its St. John losses it would probably go out of business and that the payment of its losses would, probably be trade. slow work. We did not know that the Company was doing business here, or we should have consulted the Agent before making any reference to its affairs. We K. F. Bu making any eference to its affairs. We called upon him yesterday, however, and some stock for which there should be no he informed us that he had been instructed by the Board of Directors to renew existing policies, but not to take any new business. He also says the Company's losses will be paid. We regret that there has been any misunderstanding about the
