

Bro. Crosby's generous act may speedily induce others to follow the good example he has set. I suggest therefore, that Grand Lodge by its vote will mark its recognition of the gift.

Last year I solicited a grant for the purposes of the Grand Lodge Library, but unfortunately did not succeed in obtaining it; I venture now to repeat the request, as I have on the shelves of the Library a large quantity of unbound literary matter of considerable interest to the Craft. I trust Grand Lodge will, in the interest of the Library, see the necessity of complying with my suggestion.

JOHN H. ISAACSON,
Grand Secretary.
