

an invitation to the Government of Mexico to send a Military Team to participate in the competitions for horses to be held at the Fair from November 15th to 23rd inclusive, 1938.

The invitation includes a maximum of four Officers (minimum three), four orderlies and eight horses. I am informed by the Directors of the Fair that arrangements have been made this year similar to arrangements in previous years for the expenses of the Teams participating in the National Horse Show at New York and in the Royal Agricultural Winter Fair, Toronto, to be shared by these organisations.

I should be grateful if you would convey the invitation of the Directors of the Royal Agricultural Winter Fair to the Government of Mexico and inform me in due course, in the event of an acceptance, of the names of the Officers, orderlies and horses included in the team.

I have etc.
