**Get the Most for
Your Work and Money**

I know you've a big investment tied up in your fields of corn and your beef and dairy cattle. I want to see you get full returns for this money.

That's why I recommend one of my "Toronto" Wooden Silos. It's built to retain all the tasty food value of the corn—and cattle fed on this kind of silage will give more milk and make better beef.

"Toronto" Silos are durably built of selected spruce, double tongued and grooved to exclude the air, treated with creosote to lengthen their life. The Silo is thus protected against dry or wet weather, freezing, thawing or any action of the silage. The special Hip Roof, too, gives 15% extra capacity.

Get full value for your investment. Let's talk it over or get some of my free literature.

WONDERFUL VALUE FOR \$2.00

It is a source of constant wonder to publishers the world over how The Family Herald and Weekly Star of Montreal can be printed and mailed to any part of Canada for the small subscription price of \$2.00 a year.

Some other papers may quote a lower subscription price but they do not contain one-fifth, nor in many cases not even one-tenth, of the reading matter published each week by the Family Herald and Weekly Star. People everywhere are now selecting their reading material with greater discrimination than in the past. Instead of being loaded with a lot of second rate papers and magazines, they are now saving money by discarding the chaff and subscribing to the Family Herald and Weekly Star of Montreal—the one big all-round journal that provides in its seventy-two pages every week an ample volume and variety of reading to satisfy every member of the family.

In addition to being the best informed, most practical and helpful paper for farmers, the Family Herald and Weekly Star provides the best of serial and short stories, complete departments for women and young folks, powerful editorials on the most important topics of the day, a complete weekly digest of world news—in fact, a veritable library of information, entertainment and inspiration. On account of its clean, wholesome and helpful character, its phenomenal value and powerful influence for good, it is not too much to say that the Family Herald and Weekly Star of Montreal should be in every Canadian home.

Send in the local news, and send it early.
Say it in The Transcript.

BIBLE THOUGHT FOR TODAY

THE SUPREME RULER:—Exalt ye the Lord our God, and worship at his footstool; for he is holy.—Psalm 99: 5.

Born
McCOLL.—In Ekfrid on Tuesday, June 26, 1923, to Mr. and Mrs. Samuel McColl, a son—Duncan W.

In Memoriam
CORBETT.—In loving memory of James Corbett, who passed away one year ago, July 3rd.

When the evening shades are falling
And we are sitting all alone,
To our hearts there comes a longing:
If he only could come home.

We think of him in silence,
No eye can see us weep,
And many tears are shed
While others are asleep.

More and more each day we miss him,
Friends may think the wound is healed,
But little do they know the sorrow
That lies within our hearts concealed.

—Loving Wife and Daughter.

TOWN AND VICINITY

At Dutton on Wednesday of last week Appin baseball team defeated the Dutton nine by a score of 10-0.

In the West Middlesex baseball league two games are scheduled for tomorrow—Newbury at Appin, and Mount Brydges at Delaware.

Glencoe and vicinity received a nice shower of rain on Tuesday evening which will add hundreds of dollars in value to the root and grain crops.

Lee Clements received word on Monday morning of the death in the hospital at London, following an operation, of his brother, Herbert T. Clements, of Lambton county.

Silverwoods Limited are now in charge of the Glencoe creamery, Mr. McKay, the proprietor, having leased the premises and turned over the goodwill of the business to them.

Mac O. McAlpine was fortunate in securing a likely Scotchman from a recent party brought out to Canada from Glasgow by the Salvation Army. Mac's new farm help is Ronald McEwen, and appears to be a representative of the type of immigrant Canada is in need of today.

The annual picnic of the West Middlesex U.F.O., held at Strathroy on Dominion Day, while not a record breaker, was attended by about 8,000 people. In the mile relay race open to West Middlesex, Strathroy Collegiate team captured the first prize of \$50 and Melbourne team the second prize of \$40.

Though living just inside the town limits, a special permit has been granted to Mrs. Robert Clannahan for a rural mail delivery box opposite her home, owing to the fact that she is the widow of a postmaster who held the office in Glencoe for thirty-five years—the late Robert Clannahan. Her husband died March 28th, 1921. He passed away just a week after his resignation took effect.

Glencoe soft ball team were winners of a bat and ball when they defeated the girls at Thamesville on Monday afternoon by a score of 9-4. The lineup was as follows:—Pitcher, Olive Black; catcher, Alma Watts; 1st base, Theama Watterworth; 2nd base, Betty Grant; 3rd base, Marion Campbell; right shortstop, Beatrice McAlpine; left shortstop, Mayne Grant; right field, Rachel West; left field, Mae Moore; centre field, Lillian Campbell.

SELF-OILING — SELF-REGULATING

With the Strongest Tower Built

It's the "Toronto" Self-Oiling Windmill—requiring "oil only once a year". All gears operate in a bath of special oil affected by neither heat nor cold—every bearing and working part thoroughly and automatically lubricated.

If you have a "Toronto" Windmill now, you can obtain this self-oiling feature by interchanging the head and using your present wheel. Most Toronto Windmills, too, can be made absolutely self-regulating in operation. The "Toronto" Tower will stand for a lifetime because it is the heaviest, strongest and best-braced one built for any windmill. See this new Mill now—or get my booklet.
