We are much gratified with the reception our new book is having. The largest choirs in the Dominion are adopting it. The Metropolitan and Broadway Tabernacle, Toronto, St. James' choir, Montreal, and other large choirs have ordered it. One choirleader writes that it is "Conspicuous for richness and harmony," another declared "The harmonies are splendid," a third affirms that "It is just the thing," a fourth opines that "It will be hailed with delight," a fifth considers it "A very choice selection of tunes," and a Toronto musician pronounces the tunes as "Chosen with excellent judgment."

TO PASTORS.

Pastors will find in this book, in each edition, a copious index of the Hymns, textual and topical, which is alone worth the price of the book. Over 1,200 texts are referred to, and suitable hymns attached. (The present index in the hymn book has only about 170 texts.) In the topical index about 1,300 topics and sub-topics are to be found, as compared with 450 in the old index.

Whatever may be the subject of discourse, suitable hymns may be selected, by the help of this new index at a moment's warning.

We would most earnestly request all pastors to help the sale of this book by bringing it to the attention of their choirs and congregations.

Journal of Proceedings

OF THE

FOURTH GENERAL CONFERENCE

OF THE

METHODIST CHURCH.

PRICE:

Paper covers,	\$1.25
Cloth,	1.50

POSTPAID.

This year's Journal is larger than any of its predecessors, is printed on better paper, and has a new feature that will commend itself as exceedingly convenient—namely, marginal notes in black type throughout the part devoted to the record of proceedings in the regular sessions of the Conference. In view of these advantages, the slight increase in cost over the Journal of 1890 should not be felt. As only a few hundreds of copies have been issued, those who would possess themselves of a copy should order without delay.

"Subtle, able and most timely."

THE Foundations of Belief :

BEING NOTES INTRODUCTORY TO
THE STUDY OF THEOLOGY.

BY

The Right Hon. Arthur James Balfour

*Leader of Her Majesty's Opposition in
the English House of Commons.*

CLOTH, \$2.25.

In this very able treatise Mr. Balfour discusses (1) Some Consequences of Belief; (2) Some Reasons for Belief; (3) Some Causes of Belief; (4) Suggestions Towards a Provisional Philosophy. The distinguished position in public life held by the author will naturally attract interest to his book; but the treatise has an interest and importance of its own.

"Most heartily do we rejoice over what seems to us to be the valuable independent service to the cause of Christ and truth rendered by one who is no 'apologist,' who says many things with which orthodox theologians will probably disagree, but who none the less deals a well-aimed and telling blow against the prevalent agnosticism and unbelief of our time."—*Methodist Recorder.*
