

An
EDISON PHONOGRAPH

ought to be playing some
Blue Amberol Records
in your home on Christmas morning

WHAT a glad surprise for the children, as they come tumbling down stairs to find the good things Christmas has brought! And what a pleasure for the grown-ups—a pleasure that will last all the days of the year and all the years to come.

For Blue Amberol Records are proof against wear and are practically unbreakable. And best of all, their tone is far better than any other phonograph records you have ever heard.

Hear them at your dealer's to-day.
