UNB Hires New Chief of Security

The administration of UNB is pleased to announce that they have hired a new chief of security. The new chief is Bardot, and the administration is sure she will rule with an iron fist. Bardot stated that she will end the parking problem on campus by "not allowing professors and administration to have their cars on campus during class hours."

She plans a complete retraining session for the security force which includes complete training in hand to hand combat, and instruction in the use of concealed weapons. When asked for any further comments Bardot stated: "I'm looking forward to the retraining period, and finally being able to take over."

Stephen Marks' 10 steps to get A+ on Final Exams:

1. Don't attempt to study for exams.
2. Stay out all night before the exam and drink heavily
3. Wake up 10 minutes before the exam starts.
4. Dress in clothes that are torn and don't match.
5. Get to the exam half an hour after it has already started.
6. Sit in the very back corner of the room.
7. Take a nap until there are only 45 minutes left until the end of the exam.
8. Make rude noises for the remaining time left.
9. Hand in your blank exam booklet.
10. Show your professors pictures of the student and then to send it to their wife/husband (as the case may be) if you don't get an A+.

SCANDAL ROCKS WORLD MOPPING CHAMPIONSHIPS

UNB SHAMED IN THE LATEST STEROID SCANDAL

Big Joe UNB's last minute entry in the **World Floor Mopping Championships** was disqualified three days ago after testing positive for steroids. Big Joe who was thrust into the competition when former UNB World Champions Big Al and Bigger Brian turned professional earlier in the year. Big Joe was entered in the individual Mop Leaning events. Utilizing the newly legalized graphite core mop, Joe set a new world record that was held by a member of the Polish National Team. When questioned, Big Joe denied ever taking the illegal and highly controversial drug which has now apparently invaded all branches of professional sports. Big Joe claims that he had no idea that he would even be entered in the World Championships and therefore had not prepared in any way. Sources who are close to friends of Big Joe's close friends revealed that the UNB coach had begun, unknown to Joe, to train him earlier this year. How did he do this? Sources confided that the coach had made sure Big Joe had the lightest work load and plenty of free time to train. As to steroids, the coach denies ever administering any. A full investigation will be carried out as soon as someone gets around to it.
