## Last Bash of '83

featuring

**Mark Haines and The Zippers**

**Tony Quinn and Mike Leggat**

**Squeeze Play**

**Press Release**

The Dalhousie Student Union is proud to present the Last Bash of '83. This promises to be one of the best nights of the year. These four great acts provide something for everyone.

**Mark Haines and The Zippers** is a band designed to keep the party swinging, singing, boistering and dancing with allusions of life's barbers realities — marriage, divorce, sex, love, alcohol, drugs, alimony and rock 'n roll. Just when you think they're rock, they turn R and B. Then suddenly they're country, switching to a '40's crooner standard before you're had time to recover.

**Tony Quinn and Mike Leggat** — More than just favorite local musicians, these guys are really known as a hard partying, comedy act. Back by popular demand, you can be sure Tony will make the night worthy of being the Last Bash of '83.

Last but not least is **Super System Rock Video** presented by Metro's new rock FM station Q104. This show consists of a concert size sound system, studio quality videos, a professional DJ, a full light show and a 100 square foot screen! What more could you ask for.

In the Graywood is the well known **Squeeze Play**. Four acts together in one night for only \$3.50 is too good to pass up — so don't.
