

(3)  
with the into higher & more  
independent spheres of action  
& of duty. Anything which  
leads to ~~reduce~~ <sup>give</sup> a man more  
self-respect ~~of~~ reliance,  
which helps to remove him  
from a position of depen-  
dency on others, & place him  
rather in a position to render  
assistance than to seek it  
is a ~~movement~~ tendency in  
the right direction, it is  
manifestly more in  
accord with the "Charity  
which never fails".
