WILLIAMS AND WILLIAMS

BARRISTERS AND SOLICITORS

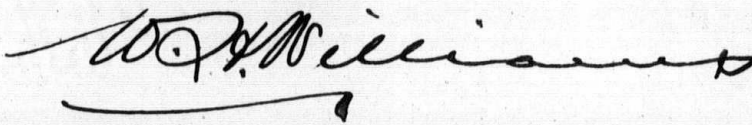

SOLICITORS FOR
CANADIAN PACIFIC RAILWAY TOWN OF PEMBROKE BANK OF MONTREAL
W.H. WILLIAMS, K.C. MURRAY D. WILLIAMS
PEMBROKE, ONT.

November 6th, 1933.

We are looking after a number of his accounts here and taking all in all, and after giving the matter a good deal of thought in a short time, I think it would be worth while. I have written you my candid opinion and perhaps it is expressed a little too freely but I think that is what you want and I trust that you will treat it as confidential. I will talk to Gerald in much stronger terms than I have written to you and tell him that I have written you advising you that I think it would be worth while to have these taxes paid.

I will try and be in Ottawa sometime and will drop in and see you. If you happen to be at the Convention we are holding on Wednesday next, I will speak to you about it.

Yours truly,

WHW/JA.
