Sir,

With reference to your letter of the 6th instant, I return herewith Voucher No 4168 for \$31.90 for hardware repairs, as it can not be discerned therefrom what items are chargeable to Vote 5. There does not appear to have been any ~~unauthorized~~ expenditure of the nature of the charges made in this voucher authorized under the said vote. Kindly place the number of the Vote opposite each item, in order that the book-keeper may see how the charges are to be made.

Your obedient servant.

  
Secretary.
