Ottawa ,19th January, 1909.

Sir,

In reply to your letter of the 12th instant, I regret to say that the question of the payment of your account therein referred to for professional services rendered to Indians during November can not be dealt with until a further Appropriation for Medical Services is voted by Parliament and becomes available, as the appropriation provided for medical services for Indians in the Province of Quebec has been expended.

I may add that your account for attendance rendered in October was paid by cheque No 1052 sent forward on the 14th January.

Your obedient servant.

Secretary.
