

254 021/12-

Ottawa, 8th April, 1904-

Sir,

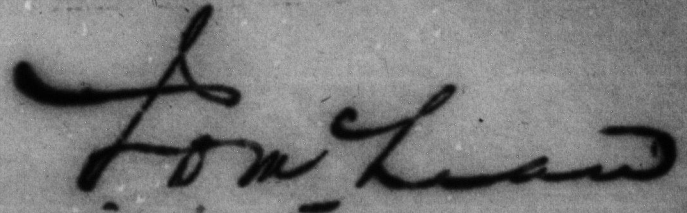

Referring to your Return of Timber cut by Donald McArthur on Lot 8, Con. 3, Dawson, I have to inform you that the usual Sworn Report should have accompanied this Return. I am therefore, enclosing a supply of blank forms for use in your Office, and you will, with as little delay as possible, have Mr. McArthur furnish the necessary information, under oath, on one of the forms enclosed, and ^{have} the same forwarded to the Department.

You will be careful in future to see that such Sworn Reports accompany all Returns of Timber cut under Settlers Licenses.

It is observed that a separate Return has been made for each entry, viz:- Donald McArthur for Lot 8, Con. 3, Dawson, and Thos. Fitzpatrick for Lot 6, Con. II, Dawson, whereas both should have been included in one Return.

Your obedient servant,

Robert Thorburn, Esq.
Indian Agent,
Gore Bay,
