Hon. President W. H. Hayward, M. P. P.  
President Alex. Herd.  
Secy.-Treas. C. W. Silence.

DUNCAN, B. C.

The position of things as they stand seems to be that at these years the Society has been paying Rent for its own property, and instead of a continuation of this state of things being an injustice to the Indians... it is the Society which is suffering from the lack of equity.

I am Gentlemen

Yours faithfully

Alex Herd
