There were 200 delegates present at the Grand Council and 400 delegates at the convention.

SERVICE OF SONG

There was a special musical service in Christ Church last evening, given by the vested choir, which has become one of the most popular musical organizations in the city. The service was very bright and interesting through and spoke volumes for the rector and choir. The church, as usual, was packed to the doors.

The sermon was based on the life and sacred writings of Cowper. Mr. McCosh gave a very interesting sermon, which was much enjoyed by the very large congregation. During the sermon the choir rendered two of Cowper's hymns, "God moves in a mysterious way" and "There is a fountain filled with blood."

Miss Helen Thomas, soprano, gave an excellent rendition of "Face to Face." Miss Thomas is one of Samuel I. Slade's brightest pupils and she sings remarkably well. Her solo last evening was very much enjoyed, and was the subject of much favorable comment at the conclusion of the service.

One special feature of the evening was the splendid manner in which the congregation entered heartily into the singing and responses.

WILLIAM GORDON.

200,000 CANADIAN SETTLERS.

Stundists Are Preparing to Leave the Czar's Country.

Berlin, Feb. 27.—Saturday's Berliner Zeitung reports that 200,000 Russian Stundists are preparing to emigrate to Canada. The Stundists are members of a Russian religious community, originating about the year 1860. Their tenets and practices are distinctively evangelical and Protestant, and entailed separation from the Orthodox Greek church. For a long period after 1870 they were very harshly persecuted by the Government, but remained faithful to their convictions and have considerably increased in numbers. Of recent years little has been heard regarding the community, but from their resolution to emigrate, it may be inferred that they are still the objects of Government ill-will.

DOYLE MURDER CASE.

Brantford, Feb. 26.—(Special).—There are no new developments in connection with the Doyle murder case in Brantford Township. All ideas of suicide or accident have been abandoned by the authorities, and they are now convinced that it was murder and nothing else. Provincial Detective Greer arrived in this city last night and proceeded to the scene of the crime this morning.

When seen tonight the detective had no important announcements to make. He looked over the house and had a talk with the son, Felix Doyle, against whom there is much suspicion. The Detective Greer will state nothing about his opinion of Doyle's complicity with the affair, he says that in his opinion THE SON IS SLIGHTLY DE-RANGED.

Greer says there may be an arrest tomorrow night, and he is positive there will be important developments before very long. He will work on the case till it is cleared up. The general opinion of the town is that the Doyle family is a most suspicious one. Many curious ones visited the place of the tragedy to-day.

A close watch is being kept on Felix Doyle. He is ready and willing to tell anyone what his opinion is regarding how his mother met her fate.

Died on His Way to Church. Hamilton, Feb. 27.—Campbell Leckie, 305 Northeast Avenue, dropped dead at the corner of Barton Street and Oak Avenue yesterday morning, while on his way to St. Andrew's Church, where he was a regular attendant. He was 35 years of age.

Russian Jews Suicide. Toronto, Feb. 27.—Out of work and despondent, Arnold Simons concluded the easiest way out of his troubles was by resorting to a revolver. It was 11.15 last night when the inmates of 53 Alice Street heard a report of a revolver shot and then a body fell. The man was removed in an ambulance to the Emergency hospital. Simons is a Russian Jew, about 36 years of age. He is a watchmaker, and was employed for a time by the Eaton Company. He lost his job about three weeks ago.

Will Take Body Home. Toronto, Feb. 27.—The father of Francis Leland, who was killed in the G. T.R. yards Saturday, is in the city. The remains will be taken home to Moose Creek to-day. Deceased was 22 years of age and had been in the employ of the company since last May.

Paroled Russians in New York. New York, Feb. 27.—Thirteen officers of the Russian navy who were taken prisoners at Port Arthur and paroled, arrived here yesterday from Chicago on their way to St. Petersburg. They will leave Thursday for St. Petersburg.

Fielding in Ottawa. Ottawa, Feb. 27.—The Hon. W. E. Fielding, Minister of Finance, arrived in the city Saturday night. He is looking well.

THOUGHTS ARE THINGS.

Prof. Osler's Age Address Discourages Baltimore Veteran.

Baltimore, Feb. 27.—Capt. W. S. Winder, a Confederate veteran, aged 71 years, shot and killed himself in his home here yesterday.

Among his papers was found a clipping of the address by Dr. William Osler of the Johns Hopkins University, in which reference was made to the uselessness of men over 40 years of age.

Capt. Winder, who was a bachelor, had led a retired and lonely life for some years. His sight had practically failed, and recently he had suffered from insomnia.

Maud Gonne's Troubles. Paris, Feb. 27.—The tribunal of the Seine yesterday heard the preliminary application of Mrs. MacBride (formerly Maud Gonne), the Irish Joan of Arc, for a divorce from Major MacBride, who was a prominent member of the Irish Regiment of the Boer army in the recent war in South Africa. The efforts of the courts to effect a reconciliation were unavailing, and Mrs. MacBride was given the custody of their infant pending a settlement of the case.

Seal Hunters Stalled. St. John's, Nfld., Feb. 27.—Three thousand seal hunters to man the sealing fleet which is to sail two weeks hence, are unable to reach this place owing to the railroads being blocked by a succession of blizzards and coast navigation being interrupted by ice-floes. It will be necessary to send a special steamer to collect the men and bring them here.

A Seedless Apple. New York, Feb. 27.—John F. Spencer of Grand Junction, Colo., is said at last to have produced a seedless apple, which in its way is as wonderful a product as the plum produced by Luther Burbank, the California wizard of horticulture. Spencer labored nearly all of his working life to produce an apple.

Approved by the King. London, Feb. 27.—The betrothal was officially announced Saturday night of Princess Victoria of Connaught to Prince Oscar, eldest son of the Crown Prince of Sweden and Norway. The announcement states that the engagement has the entire sanction and approval of King Edward.

HUFF'S HORSE HURT

Some of the residents of the Riverside Terrace didn't put their ashes down the hill out of the road. Yesterday a horse attached to Huff's milk sleigh, struggling to pull the rig through the ash heap, choked and fell over the railing along the top of the hill. The animal rolled half way down to the river, where it stopped all tangled up with the shafts. In its struggles to get up it ran the shaft in its body and was almost killed. A veterinary attended the wounds and it is hoped that the life of the horse will be saved. The agonized cries of the animal could be heard for blocks.
