## SIEGE OF DELHI

Greatest of Historical Spectacles at the  
C.N.E. This Year.

The Siege of Delhi will be the historic spectacle at the Canadian National Exhibition this year. There is no more terribly picturesque scene in English history than this sketch from the great Indian mutiny. The rich and varied costumes of the natives of different castes mingled with the uniforms of the English officers give to it color that cannot fail to delight the eye, while the tragic drama cannot fail to be of enthralling interest. Every detail is to receive the strictest attention to make this the greatest of the many historical spectacles that the Canadian National has become famous for.
