Underwriters Have Appointed a Committee to Consider How the Rates in the Business Section of the City Should Best be Increased.

Worcester, Mass., August 3 .- Fire insurance underwriters have appointed a committee to consider the adoption of a plan to increase fire insurance rates for the business section of this city. This step is deemed day, 6th inst. necessary because of the large losses suffered by the The standing of the fund to date is as follows, asurance companies in the Salem fire.

Weiss has been appointed special agent ban territory for the Northern Assurance London succeeding Clarcnee E. Baldwin, increase went into effect soon after it was passed. The other fire underwriters' associations of the New England Exchange, it is stated, are also considering the proposition, and the sentiment was expressed that

there would be a general increase of about 25 per cent. GERMANS USE MOTOR CYCLES. in fire insurance rates on mercantile establi-Paris, August 3.—It is reported here, that, the Ger-an seconting parties fighting with the French border, how Haven, Hartford and Springfield and the other cities in New Hayand, whose underwriters beand at containe are using fast motor cycles instead info at corraine are using fast motor cycles instead a carary. The Germans are also **fasting much** this city, if it is brought about, according to one close biles, must of them proceed, with armour. with the underwriters of this city, will be about 25 per Two French civilians attempted to blow up the cent. Not only the business men in the centre of the nuway tunnel at Kochem, a town in Prussia. They city will be affected by the increase, according to what re discovered by a German patrol before the fuse is planned, but all mercantile establishments will be had been fixed and were shot dead.

SPECIAL POLICY FOR THOSE GOING TO WAR

Sun Life Assurance Company Has 10000 Policies in Force in England but Mest of These are Held by Men Toe Old to be Likely to See Active Service—What is More Likely to Cause Trouble is if Canada Sends Troops.

CANADIAN, LIFE INSURANCE COMPANIES IN POSITION TO STAND WAR LOSSES

What effect the present war will have on Canadian ditional 5%, or \$50,000. Mr. Wood stated, however What effect the present war will have on Canadian Life Insurance Companies is hard to say, Mr. Arthur B. Wood, head of the actuary department of the Sun Life Assurance Company, stated that his company wrote more business than any other Canadian com-

pany in England, and yet the entire number of poli-cies at present in force in the old country, did not amount to more than 10,000. A great deal of this is in annuities, and the majority of the policyholders are men too old to likely see active service. The number of odimark the ordinary income of the company was tated that the ordinary income of the company was the sufficient in service service.
