READ THIS LETTER
I purchased one of your No. 1 traction ditchers in April, 1916, and the gross earnings made in 84 days' operation from my supplies \$278.00 and my repair bills \$20.00. This amounted to \$1902.00 for my own work and investment in the machine. My crew consisted of one man beside myself, and the land owner furnished the man to lay the track tiling before doing your machine and my farm work also took up considerable of my time. ED. UVAAS, Larsen, Wis.
