My annual Catalogue of Vegetable and Flower Seed for 1878, will be sent FREE in January, to all who apply. Customers of last season need not write for it. I offer one of the largest collections of vegetable seed ever sent out by any seed house in America, a large proportion of which were grown on my six seed farms. Printed directions for cultivation on each package. All seed sold from my establishment warranted to be both fresh and true to name; so far, that should it prove otherwise I will refill the order gratis. As the original introducer of the Hubbard and Marblehead Squashes, the Marblehead Cabbages, and a score of other new vegetables I invite the patronage of all who are anxious to have their seed directly from the grower, fresh, true, and of the very best strain.

New Vegetables a Specialty.
