THE PEOPLE'S CHOICE

THE IMPROVED U. S. CREAM SEPARATOR

There are many reasons for this, a few of which we give below:
First, last and always,

THE U. S. SEPARATOR SKIMS THE CLEANEST

It holds World's Record for clean skimming, having averaged for 50 con-
secutive runs a loss of only .0138 of 1 per cent. in the skim milk.
THE U. S. HAS A PRACTICAL LOW SUPPLY CAN into which it is very
easy to pour milk.

THE U. S. WEARS THE LONGEST with the least expense, so its users say.
THE U. S. CAN PRODUCE THICK CREAM as well as thin cream without
clogging, thus enabling the user to meet the requirements of the many cream-
eries that demand thick cream and pay one cent more a pound for it.

THE U. S. IS THE SAFEST SEPARATOR, its gears being entirely enclosed,
thus doing away with all danger of injury to them or those around it.
THE U. S. SAVES TIME, LABOR AND MONEY, as all who will buy one
will soon find out.

From the above it is easy to understand why
THE U. S. SEPARATOR IS THE MOST PROFITABLE TO BUY
