GOSSIP.

An old woman in a red cloak was crossing a field in which a goat was feeding; what a strange transformation took place? The goat turned to butter, and the woman became a scarlet runner.

Roxey Stock Farm, Brandon, the property of J. A. S. Macmillan, has issued an attractive hanger, giving the name of a number of stallions new for sale at the stables. Among others may be mentioned : Cairnhill, first at Toronto Spring Show, 1903; first at the Dominion Exhibition, Toranto, 1903; and first at Chicago International. Pleasant Prince, first in the aged class, Chicago International, 1903. Sir Wal-ter, third-prize three-year-old, Chicago International. Border Mack, fifth prize at the same show. There are also a number of other imported Clydes of choice breeding mentioned, as well as a Percheron, and Touchwood, a Thoroughbred, noted as a race-horse. Clydesdale mares and fillies are also for sale, and Hackney stallions, mares and fillies.

SASKATOON SHORTHORN STOCK FARM.

Situated about one mile from Saskaoon is the home and stock barns of J. J. Caswell, one of Saskatchewan's most noted Shorthorn breeders. Mr. Caswell's barns are of splendid size and modern construction, and we doubt if any other stock buildings in that territory can equal them. His stock bull is a scion of Barron's Nobleman (imp.), by name Nobleman's Pride, out of Jessie, by the Baronet (imp. in dam). Nobleman's Pride is a smooth, large three-year-old. thick, low-set and naturally well-fleshed. He is of dark red color, of strong masculine appearance, a good handler, a splendid sire, and truly, in fact, a hard bull to heat.

Pride of the West, got Ly Prairie Crown Prince, dam Cherry, by Royal George, is a deep, straight-lined cow, with well-sprung ribs, of excellent size, and a splendid breeder. Another of true blocky form is Miss G. O. Davis, got by McTurk. She is extra strong in constitution, has a broad, well-fleshed back and is of general good type. Miss Davis 2nd, out of the last mentioned dam, and got by Indian Warrior's Hero, is an outstanding three-year-old, of the low-down, meaty type. As a two-year-old, she won first at Saskatoon. Miss Davis 3rd, got by Nobleman's Pride, is a yearling of prime quality and true Shorthorn conformation. Little Daisy 3rd, a two year-old, by Lord Kitchener, dam Little Daisy, by McTurk, is a very smooth heifer of good make. A fine young bull is Roderick Dhu 3rd, got by Nobleman's Pride, dam Caswell's Daisy, by McTurk.

Two years ago, Mr. Caswell won a beautiful silver water set at Calgary Spring Sale for the best bull bred in the territory of Saskatchewan.

Lately Mr. Caswell has made some choice Clydesdale purchases with the view of breeding these favorite drafters. Lady Wellesley, sire Wellesley (imp.) dam Princess of Wales, by Cossack (imp.) grandam Lady Clyde of Collingwood, by Prince of Wales (imp.), is a bright bay of good draft type, clean limbed, and weighing 1,645 lbs. She, along with her mate, Lady Honor Bound, won first prize at Saskatoon Fair last year, also special for Lest heavy draft team on the grounds. Lady Honor Bound is a dark brown, and weighs 1,750 lbs. She was sired by Honor Bound (imp.), dam Princess of Wales, by Cossack (imp.); second dam by Prince of Wales. In the heavy draft brood mare class, this cleanlimbed, drafty mare found favor with the judge at Saskatoon last fall and stood at the top of her class. Then, besides winning first and special with her mate in team section, she, along with four more of Mr. Caswell's horses, won a beautiful silver cup, which has now been won twice in succession by this stable. Lady Honor Bright's filly is a neat

growthy foal of good substance and quality. She was sired by Prince of Strichen (imp.), he by Merry Hampton. whose grandam was sired by the famous Darnley 222. This young filly traces on the other side to the Prince of Wales.

Mr. Caswell also keeps some fine Tamworth pigs, and with them won all prizes awarded at the Saskatoon Fair
