IMPORTANT NOTICE!

We have in contemplation, if practicable, to make such alterations in *The Wesleyan* at the commencement of the fourth Volume, which will be in July next, as will enable us to give considerably more reading matter in our columns,—which, if carried out, will involve us in additional expense. We propose not to increase the subscription price per annum; but, in order to meet the increased expenditure, and to warrant the alteration, we shall require, at least, in addition to the number now on our lists, three hundred and fifty new subscribers, which will be a little more than an average of eight for each of the Circuits in the Districts of Nova Scotia and New Brunswick. We are anxious to make *The Wesleyan* all that its warmest friends may wish, but we have long felt straitened for want of space, &c. IN THIS MATTER, WE CAN DO NOTHING, WITHOUT THE HEARTY AND ENERGETIC CO-OPERATION OF OUR BRETHERN AND OTHER FRIENDS. *The Wesleyan*, as it is, we have reason to believe, has been exercising a beneficial influence on our cause throughout our Districts, and we laudably desire to render it a still more potent instrument for good. We appeal, then, earnestly, to our Ministers, and to all others who desire the prosperity of our beloved Methodism, to assist us with their influence and valuable and highly effective agency, in meeting the emergency of the times, and placing their periodical on such a footing, as will both free us from pecuniary anxiety, and add augmented influence to the paper.
We anticipate a prompt and hearty response. We solicit the brethren to ascertain before the approaching Districts, the number of present subscribers who intend to continue such, and the number of those who will enter their names as new subscribers, for the next Volume, and to forward to us the lists with as little delay as possible, so that we may be advised of intended discontinuances, if any, and of the additions of names, in order that we may make our arrangements accordingly.
In ordering papers for new subscribers, please state the time from which they are to be sent. We can supply back numbers.
The Rev. Richard Smith, Wallace, has our thanks for his intimation that his Circuit will meet the average of additional subscribers for our next volume. We hope all the brethren will enter heartily into our design, and enable us to bring out a paper in every way worthy of public acceptance.
Those brethren who intend to bring to the District candidates for examination, will please notify the Superintendent without delay, in order that suitable provision may be made for their accommodation.
The exceedingly interesting Ecclesiastical Correspondence in this week's impression, will amply repay perusal. The sentiments of Dr. JOYNS are worthy of all praise.
C. C. Aylesford, is notified that the box of books will be forwarded by King's line,
The new Chapel, Grafton Street, is rapidly approximating completion. It is a noble edifice. May it be honoured as the spiritual birth place of thousands!
Communications from Charlottetown, P. E. I., and elsewhere, came too late for this number.—They shall appear in our next.
Merchants and others will find it to their advantage to advertise in *The Wesleyan* on account of its large and general circulation.
We never knew scarcely such a dearth of news.
We shall forward accounts to the brethren during next week.
