HAIL INSURANCE

If you are interested in Hail Insurance ask our Agent for rates and other particulars. He can tell you what the protection will cost this season. Others can only tell you what it cost last year, and guess at what it may cost this year.

The two Royal Commissions appointed to investigate Hail Insurance in Manitoba (1899 and 1906) had absolutely no complaints against Companies that insure under yearly contracts. Why? They hold their business by treating their patrons right, not by a term contract that it is almost impossible to have cancelled no matter how unsatisfactory it may be.
