The Ailsa Craig Banner tells this yarn without a blush: Mrs. G. C. Robinson, of Lobo, cooked a potato, and the family of five sat down to do justice to it. Everyone ate heartily thereof, but when the meal was finished, there was a large decoction of the potato left. At supper time they again tackled it with renewed energy, but had to give up in despair, the potato having great staying powers. Finally the assistance of the poultry yard had to be called in to exterminate the gigantic "murphy."

### Like the Touch of Magic

Desperate Itchings of the Skin Alayed by Chase's Ointment—The Recognized Skin Specific.

It is only a few months since Dr. Chase's Ointment was brought prominently before the public, principally by its cures of stubborn and long standing cases of Itching Piles that had defied all other treatments. Today it is recognized from ocean to ocean as an infallible cure for Itching Piles, Eczematous Eruptions and all Itching of the Skin. Its cures have rendered its sales larger than those of all other preparations for such ailments combined. People use Dr. Chase's Ointment with confidence, because in every community someone has been benefited like Mr. Simpson, Berlin, Ont., who, under date of Feb. 8, '95, writes that for a number of years he was troubled with Itching Piles; they caused intense suffering, and although dozens of advertised remedies were used, none of them did any good although some of them had long and thorough trials. Here are his own words quoted from his letter: "Last fall I got a box of Chase's Ointment from Mr. Landreth's drug store, Berlin. I applied according to directions and soon found it was what I wanted. Only used part of one box when I was well as ever in my life. Once in a while since I have felt slight symptoms of its return, but one application of the Ointment and all is right again." Such expressions as this from those who use Chase's account for its popularity.

PRICE 60 CENTS.

For sale at the Peoples' Drug store, by J. A. Wilson.

The Mount Forest Council is thinking about having an all night electric light service, and a night watchman to look after the town, owing to the number of burglaries there recently. It will be deplorable if the robber gets away with the night watchman and the electric light plant.

Some heartless thief stole the shirt of Mr. George W. Lamond, of the Guelph Mercury, from the clothes line while the owner slept. What makes the loss more keenly felt is the fact that the garment was a "white dress shirt"—most probable an heir-loom.

A batch of Rathsay juveniles were before 'Square Hunt in Palmerston last week, charged with throwing stones at the house of Mr. Conrad Howes, a prominent citizen of the Maryborough village. One boy had to pay \$7 and the rest were dismissed, and Howes was out the costs.

On Tuesday last, while working around a threshing machine, upon the farm of Jas. Richardson, near Harriston, James Harper had the misfortune of getting his hand into the gearing, with the result of the loss of the ends of two fingers and a badly bruised hand. Jim at once proceeded to a doctor's office, where the wounds were dressed. It will be some time before he will be able to resume work.
