

LOCAL PRESBYTERIAN CHURCHES FAVOR UNION

A Letter From Rev. D. T. McClintock, Giving Figures Showing Average is About 75 Per Cent. for Union-- Balfour Street Almost Unanimous.

To the Editor of the Courier: The vote on church union in the four Presbyterian churches of Brantford is now complete, and the following is the result of the total vote: Elders, 49 for, 9 against; 84 per cent in favor. Members, 674 for, 344 against; 66 per cent in favor. Total members and elders, 723 for, 353 against; 67 per cent in favor. Adherents, 92 for, 25 against; 80 per cent in favor. Total vote, 822 for, 378 against, 69 per cent in favor. These percentages are based on the total vote cast, not on total church membership. The instruction of the General Assembly on the point is found on page 43 of the minutes of last assembly, and reads: "The people are reminded that the decision on this question must be reached on the basis of the vote cast."

SEPERATE SCHOOLS RAISE BIG PRICE

Claim Made That Companies May Divert Taxes at Will.

The Ontario Railway and Municipal Board has now upon its hands the settlement of a serious problem of assessment as between Public and Separate schools, a settlement that may mean a great deal to the school of the province. In other words, the board, through a case brought by the Public school supporters of the Town of Sturgeon Falls, is asked to decide whether a corporation by merely passing a resolution, without regard to the religion of its shareholders, may divert a portion of its taxes to the Separate schools. The law, as it has generally been interpreted, is that a corporation may only divert to Separate schools such a portion of its taxes as is equal to the proportion of Roman Catholic shareholders on its books, but T. M. Gibson, K.C., counsel for the Spanish River Pulp and Paper Company, contended yesterday that the bonus was not upon a company that bore the proportion of Roman Catholics among its shareholders, and that the Assessment Act intended that the resolution of the directors should be sufficient. The case was brought before the board following the action of the Sturgeon Falls Court of Revision, and later on, of the county judge, in acting upon a notice from the company and diverting one-third of the company's large taxation to the Separate schools there. The appeal maintained that in the first instance the notice of the company was illegal, since the directors had not first ascertained how many Roman Catholic

Adherents, 33 for, 1 against; 97 per cent in favor. Total, 97 per cent in favor. On Onondaga, which is connected with Balfour, the vote in favor is almost equally strong. It is, Elders, 3 for, 0 against, 100 per cent in favor. Members, 35 for, 1 against; 97 per cent in favor. Adherents, 12 for, 1 against; 86 per cent in favor. Total in favor, 94 per cent. This almost unanimous vote in these two places is significant, inasmuch as they would have greater sacrifices to make if union were consummated, than the larger churches, none of which would be closed and which would be but slightly affected by the change. It is an indication of the great need so keenly felt in the smaller churches for closer union of forces. At this time when the Methodist and Congregational churches stand ready to join forces with the Presbyterians in setting forward the work of the Kingdom, it is very gratifying even to many outside of these churches, that the Presbyterians of Brantford have shown their willingness to unite with their brethren by such a splendid majority. D. T. McCLINTOCK.

shareholders there were on the books, that it was deposited with the proper local official too late to be properly acted upon, and that the Court of Revision in diverting the taxes and the county judge in confirming that action had done so without calling any evidence to prove that one-third of the company shareholders were Roman Catholics. John A. Patterson, K.C., held that since the courts had given a decision without the support of evidence, the decision could not stand, and the board should set the matter back where it rested in the first place. Mr. Gibson held that the matter of time as regards the notice was immaterial. The crux of the whole matter was the religion of the shareholders. Reviewing the legislation upon the point, he endeavored to show that the clause providing for diversion of taxes according to the religion of the shareholders, was unworkable, and that the Legislature, by an added clause, declaring the notice of the company to be sufficient, had admitted that a corporation may only divert to Separate schools such a portion of its taxes as is equal to the proportion of Roman Catholic shareholders on its books, but T. M. Gibson, K.C., counsel for the Spanish River Pulp and Paper Company, contended yesterday that the bonus was not upon a company that bore the proportion of Roman Catholics among its shareholders, and that the Assessment Act intended that the resolution of the directors should be sufficient. U. S. GETTING NAMES OF THE BOMB PLOTTER

Dr. Josef Gorican Gives in a List Implicating All Central Powers' Diplomats.

New York, Nov. 17.—The Government's quest for legal evidence against the men higher up in the gigantic bomb and arson plots was given tremendous impetus today. Dr. Josef Gorican, former Austro-Hungarian Consul at San Francisco, the "man with the proofs," arrived in town late yesterday afternoon. Three hours later he was deep in conference with Captain William M. O'Flynn, Division Superintendent of the Department of Justice; Chief Wm. J. O'Flynn of the Secret Service, and other government officials. NEW YORK BANKER IN IT. Dr. Gorican gave the Government officials a typewritten list of names, orders, lists, he said, are the men back of the widespread attempt to destroy munition plants, place bombs on ships, force strikes and initiate passport frauds. Practically every prominent diplomatic representative of the central powers was named. In addition Dr. Gorican involved a number of New York bankers and men of wealth well known in the commercial world. NAMES SCORES OF SPIES. He furnished, too, the names of scores of the 3,000 spies he asserts are operating in this country under the direction of Captain Boy-Ed, Naval Attaché, and Captain von Papen, Military Attaché of the German Embassy, and Austrian Consul General von Nuber. Dr. Gorican displayed letters written by German and Austrian diplomats to whom he had been writing. These letters, it is said, show an attempt to organize a "foreign army" within the borders of the United States. MORE REVELATIONS TO-DAY. The former Consul will probably continue his narrative to-day. Simultaneous revelations to agents of the Department of Justice will be put to work on the case. Legal possibilities will be sifted. Grand jury action in this jurisdiction will follow. Dr. Gorican, upon his arrival in this city yesterday, called to mind speeches made by him months ago. Through these speeches he had known his coming revelations to local Slavs. Dr. Gorican, is particularly bitter against the Austrian Government. "From money literally taken from the Slavs in Austria, that Government sought to poison the minds of Slavs in the United States," he declared. "This was to be accomplished through the inception of disturbances among the working classes; the subsidizing of the Slavonian papers through the country and provoking strikes in factories and munition plants. "The Austrian Government were determined to halt at nothing. If it became necessary they had made arrangements for uprisings in nearly every large city in America."

ENLISTMENT BEGINS FOR AMERICAN LEGION

Toronto, Nov. 16.—Amongst the new officers for the battalion of American born Canadian citizens, which yesterday began its enrollment in the city are Lieuts. J. B. Price, formerly of the State of Washington; S. B. Nelson, formerly of Ohio; and J. E. Nelson, formerly of Ohio. Since Saturday morning fifteen recruits have been enlisted in this battalion, without any recruiting campaign being commenced. The headquarters of the Major's Class (Company) will be at 273 Spadina street until the necessary preparations have been completed at the "Process Building" in the Exhibition Camp, which is understood to be a system of temporary quarters in the messroom of the 75th Battalion by the members of the American club in honor of the American Thanksgiving day, which falls on November 25.

NO PEACE TILL ALLIES ATTAIN DESIRED END.

(From the Boston Transcript) For 25 years Mr. W. H. Ovey, an expert in the United States, Toronto may look forward to the development of a very large plant, within its borders. Negotiations are under way in regard to the details of the new departure, so that no statement was available from officials last night. The Russell Motor Company comprises the Overland and Knight-motored machines. Only the first of these will become identified with the new concern. Of the total capital of \$5,000,000 the motor end of the Russell Overland and Company may enter one million dollars, and this amount, it is understood, will be invested in the new organization. To this extent the present shareholders would have their share in the company. The other two departments mentioned above will carry on business independently. The capital of the new concern will go partly into extension of the plant to permit quantity production of the Overland and Knight-motored machines.

THE TOLEDO COMPANY.

The Willys-Overland Company of Toledo has been prosperous. Cars sold in 1913-14 were 44,141 against 33,458 in 1912-13 and 22,548 in 1913. Consolidated income account for the year ended June 30, 1914, showed profits of \$5,964,305 as against \$5,705,737 during the previous year. For the six months from July 1 to December 31, 1914, they were \$3,327,499. Balance surplus was \$2,431,375 for the year ending June 30, 1914, and \$2,148,997 for the six months period ended December 31, 1914. This made a surplus carried forward at the beginning of this year of \$7,651,931, as against \$5,802,234 for the previous six months. Percentage earned on common stock was as follows: June 30, 1913, 18.35; June 30, 1914, 23.15; December 31, 1914, 19.14. The authorized stock of the company is \$4,721,000 preferred and \$20,000,000 common. The directors declared a stock bonus in April equal to 5 per cent on the common stock in addition to the regular dividend of 6 per cent. The dividend on the preferred was 7 per cent.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. It changes all these indications of a child to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross and half-sleepy, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mothers! See if tongue is coated, then give a teaspoonful of this "Fruit Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again. Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.

LIEUT. CHESTER HUGHES KILLED IN FRANCE

Son of Dr. J. L. Hughes and a Nephew of Sir Sam Hughes.

Toronto, Nov. 17.—Lieut. J. Chester Hughes, son of Dr. James Hughes, and nephew of Sir Sam Hughes, Minister of Militia, has died for his country. Word to this effect was last night received by his father, former Chief Public School Inspector of the city, from the Minister of Militia. This is the first casualty in the Hughes family, which is well represented in the army. Besides the Minister of Militia, two brothers, Col. John Hughes, and Col. W. S. Hughes, are serving the colors. Brigadier-General Garret Hughes, a son of Sir Sam Hughes is also fighting.

MANDAMUS PROCEEDINGS TO COMPEL L. O. VOTE

Stratford, Nov. 17.—Following the action of the City Council in refusing to submit a local option by-law to the people, the Executive of the Temperance and Moral Reform Association, last evening authorized its legal advisers to proceed at once with mandamus proceedings to force the council to act on the petition. It was also decided to send a large quota of temperance workers to Toronto on Monday for the inauguration of the "dry Ontario" campaign.

FISHER STRIKES BACK AT MR. CHURCHILL

Former First Sea Lord Utters Biting Retort in House of Lords.

London, Nov. 17.—Admiral Lord Fisher, the former First Sea Lord of the Admiralty, made a brief but striking answer in the House of Lords last night to Winston Spencer Churchill's statement in the House of Commons yesterday, in which Mr. Churchill complained that he had not received from Admiral Fisher with respect to the Dardanelles attack the clear guidance before or the firm support after to which he was entitled.

WHY NOT THE WHOLE TRUTH

New York Sun.—In one particular only has the censorship complained of vindicated itself, and that is in the publication of cablegrams from day to day. If it can tell the truth about battle losses, why not the truth about everything short of those things that would aid the enemy? A comparison of British and German bulletins shows the latter to be unflinching in the presence of unwelcome truth.
