CHURCH WORKER IS LAID TO REST

Impressive Funeral Service For Late Harold G. Brown, at Paris

OTHER NEWS OF PARIS

"Mother Goose Fair" Scored Success on Saturday Afternoon

Paris, July 23.—(From our own correspondent)—Seldom has there been such a large gathering as assembled in St. James' Church on Sunday afternoon to pay a last tribute of respect to the late Harold G. Brown, who was so highly esteemed in life. The deceased was the second son of Mr. and Mrs. Luther Brown, now living at Oswego, N.Y., at whose home he passed away on Thursday last. He was born at Nottingham, England, some 27 years ago, and came out to Canada with his parents in 1907, and has always remained here. At the time of his illness he was foreman of the knitting department of No. 7 mill of Penman's Ltd. Three years ago last May he was united in marriage to Miss Edna S. Reynolds, daughter of Mr. and Mrs. Wm. Reynolds, Paris. The late Mr. Brown had always taken an active part in St. James' Church, having been for nearly 10 years associated with the choir, as also the A. Y. P. A. and Men's Society. Early this year he was elected people's warden, but through ill-health was compelled to resign the same. He had been ailing for some months and in May last, visited his parents at Oswego in the hope that the change would be beneficial, but in spite of the best medical treatment and all that loving hands could do, he gradually sank and passed away as above stated. A young man of exceptional ability and always willing to help in any good cause, he held the respect and esteem of the entire community. The service was conducted by the Rector, Rev. R. J. Seton-Adamson. To the bereaved wife every sympathy will be extended in her great sorrow, as also his parents and family and all relatives. Among the large number of floral tributes were the following: Spray: Mr. and Mrs. Rizer and family; wreath, Mr. and Mrs. A. K. Foulds; floral basket, from cutting and winding room; spray, Mr. S. Bedbury; sprays, Mr. and Mrs. Kirke White; Cross, Last Long Underwear Knitting Co. and packing room; pillow, Mr. and Mrs. Wm. Fern, Sr., and family; Gates-Ajar, father and mother, brother and sister. All the above were from relatives and friends of Oswego N.Y.. Pillow, from wife; cross, Mr. and Mrs. Wm. Reynolds; sheaf of wheat and roses, Wilfred Reynolds; spray, Mr. and Mrs. Herb. Reynolds Woodstock; wreath, Mr. and Mrs. B Brown; cross, Mr. and Mrs. Wm Fern, Jr; sprays, Mr. and Mrs. L. Cassady; Mr. and Mrs. Wm. Hurst; grandmother and family, Mr. and Mrs. C. Plomley, Mr. John D. Reynolds, Mr. and Mrs. W. A. Turner, Mr. and Mrs. W. Wilkinson. Mr. and Mrs. A. Radcliffe, Mr. and Mrs. C. E. Taylor, Mr. B. Dennis, George and Cyril Bosworth, Masonic emblem from St. John's Lodge, A. F. and A. M.; spray, Mr. and Mrs. Gerald Brown, Brantford; Gates-Ajar, foreman and office staff of Mills No. 2 and 7, Penman Ltd., wreath, St. James congregation; Cross, St. James choir; wreath, knitting room No. 7 Mill; wreath, men of Penman Ltd. dye house. The funeral was in charge of the Masonic Order, the following acting as pallbearers, Bros. I. Stewart, S. Knill, J. Sinclair, J. T. Tilley, C. Tincknell, G. James.

Among the relatives present from a distance were Mr. and Mrs. Luther Brown, Miss Florence and Frederick, Mr. and Mrs. Wm. Fern and son, Alfred, from Oswego, N.Y.; Mr. and Mrs. Jubal Brown and family of Hamilton; Mr. and Mrs. Gerald Brown of Brantford; Mr. and Mrs. H. Reynolds, Woodstock; Mr. and Mrs. Watson, Ayr.

Another old resident in town passed away early yesterday morning in the person of Mrs. Robt. Reynett of Upper Town, Paris. A few weeks ago she had a paralytic stroke, but her death was unexpected. Funeral arrangements have not yet been made.

On Thursday evening about 20 young ladies from the Methodist Philethea class, with their teacher, Mrs. S. A. Howell, motored over to St. George, and were the guests of Mr. and Mrs. Brandon, at the parsonage. Mrs. Brandon had also invited the young people of their church in, and a very enjoyable evening was spent by all in games and music. Before leaving, a very dainty repast was served, and a hearty vote of thanks extended to Rev. and Mrs. Brandon for their kind hospitality.

In spite of the threatening weather, hundred attended the "Mother Goose Fair," which was held in the Agricultural Park on Saturday afternoon and evening. The booths looked very attractive with bright colored schemes, as well as the costumes worn by the young ladies, who were selling. The Paris citizens band rendered good music throughout the evening. A good sum was realized, which is to be devoted for Red Cross purpose. The affair was under the auspices of the Maple Leaf Patriotic club, and the young ladies are to be congratulated upon their splendid success.

The engagement is announced of Margaret Marion, only daughter of the late Mr. and Mrs. David Shepherd, to Mr. E. W. Moss of Wales, Ont. The marriage to take place quietly next month.

On Saturday afternoon, Mr. H. G. Carroll met with a serious accident while working on the new house being built by Mr. George Lee, just outside Paris on the Brantford road. He was using an extension ladder, and while ascending the second portion of the ladder, it ran down, and upon striking the first section, Mr. Carroll was thrown to the ground, a distance of some 19 feet, striking his shoulder and hip. He was taken home and we understand his injuries are somewhat serious.

Miss Florence Cocker was presented with 1 dozen silver spoons by her room-mates of No. 7 finishing room at the close of work Friday evening, prior to her approaching marriage.

ORDERED RESTORED

By Courier Leased Wire.

London, July 23.—Despatches received by the Russian embassy here state that the uprising in Petrograd may be considered as definitely suppressed. The regiments, which participated in the disturbances are being disarmed and disbanded, these advices report, and the city is being patrolled by troops. Isolated cases of shooting from windows have occurred, but order is being energetically restored and all suspects arrested, it is added, while drastic measures are being taken to prevent any further insubordination or criminal agitation.

visory committee, composed of representatives of the government, the churches, labor organizations, educational departments and institutions, urban interest, farmers, rural municipalities, and men's and women's organizations. This central body will advise the departments through the food controller.

Provincial machinery is to be established through the creation of special provincial committees to advise upon plans prepared by the departments and approved by the food controller. Each provincial committee will include in its personal representatives of the government, the churches, schools, farmers, labor, urban and rural districts and men's and women's associations. In addition special committees, representing producers, manufacturers, handlers and consumers of food products, will be appointed to investigate and formulate plans for action on individual problems dealt with by departments. Action has already been taken in this regard by the creation of the food consumption control committee and the fish committee.

The interior organizations of the food controller's office will include:
Food saving department.
Food industries department.
Food distribution department.
Information and statistics department.
Business and office department.
Educational department.

The food saving department will deal with such problems as: (a) Consumption in public eating, etc. (b) Instruction in methods of conservation in private houses. (c) Instruction in preservation of perishable products, (d) Instruction in substitution of foods to take the place of those required for export. (e) Securing the co-operation of national, provincial and local organizations.

The food industries department will have charge of:

(a) Matters relating to flour, bread, meat, fish, dairy products, canned and all manufactured food. (b) Preparation of certain foods in order to encourage their use and to insure plentiful supplies.

The food distribution department will be divided into sections:

(a) To deal with purchase, prices, storage, transport and sale of food for home consumption, and export problems. (b) To advise with British and foreign buyers. (c) To advise with handlers and shippers.

The information and statistics department will have sub-divisions to:

(a) To gather statistics from government departments and international sources and tabulate them for the use of the other departments. (b) Ascertain the quantity location, ownership and sources of food supplies for home consumption and for export.

The business department, in charge of the assistant chief of staff, will handle general office organization, accounting, finances, office supplies and systematic filing of all data and correspondence.

The educational department will be responsible for dissemination of general news for the information and instruction of the public and the publication of all educational and other matters supplied to it by other departments.

The personnel of the national and provincial advisory committees and the heads of the various departments will be announced shortly.

HEALTHIEST ONE IN THE FAMILY

No Sign Of Dropsy And Kidney Trouble Since Taking "FRUIT-A-TIVES"

HATTIE WARREN

Port Robinson, Ont., July 8th, 1915.

"We have used "Fruit-a-tives" in our house for over three years and have always found them a good medicine. *Our little girl, Hattie, was troubled with Kidney Disease.* The Doctor said she was threatened with Dropsy. Her limbs and body were all swollen and we began to think she could not live. Finally, we decided to try "Fruit-a-tives". *She began to show improvement after we had given her a few tablets.* In a short time, the swelling had all gone down and her flesh began to look more natural. Now she is the *healthiest one in the family* and has no signs of the old ailment. We can not say too much for "Fruit-a-tives" and would never be without them".
