TO BUILD UP THE BLOOD OF THE PEOPLE

Spring is the Iime When People Worn and Weary After a Hard Winter Need a Tonic to Restore the Blood and Renew Energy and Ambition.

It is one of the most persistent traditions of the human race to take a tonic for the blood in the spring, and like most of the accumulated wisdom of mankind it has a sound scientific basis. Winter is always a trying season for people who have small reserve of physical strength. Not many of us get as much exercise and out-of-door air in winter as in summer. Much of our time is spent in rooms none too well ventilated, our found that a partition was on fire. diet lacks the fresh green foods of summer, and it is no wonder that the blood grows day afternoon with his daughter, to call central to get the fire brig-
