For some time" the opinion had been prevalent in the we have to give precedence to either Yukon that the act could not be appried inasmuch as its enforcement

RARE EXPONENTS OF THE CABINET MAKERS' ART.

Pianos are indeed rare exponents of the cabinet makers' art. Nothing made cabinet makers' art. Nothing made surpasses their chaste simplicity, or, if you are a lover of the ornate, the gorgeousness of their finish.

The New Scale Williams Piano itself, however, is the real value of the instrument, and it fully carries out the promise of its beautiful exterior.

Local watercoms. W. G. F. SCYTHES & CO.,
