MAJORITY GETS STILL BIGGER

Later Unofficial Returns
Building Up Clements
Plurality in West
Kent.

Majority is Now Figured at 154—
Clements Had a Majority in
County as well as City.

Further corrections in the election returns all favor Herbert Clements. Official news from Tilbury East places the total Stephens majority at 63 instead of 76 as previously announced in The Planet.

Unofficial information handed in to this journal to-day gives the following corrections:—

Clements' majority in Dover is said to be 43 instead of 38 as announced in The Planet.

Harwich is said to give Stephens 3 instead of 5.

Romney is said to give Stephens 17 instead of 38.

If these figures are correct Clements' total majority is 152. It will be seen that the young man obtained then a majority in the county as well as the city and came to the town seven in the lead.

OUR MEMBER'S THANKS

CHATHAM, Nov. 5, 1904.

FELLOW ELECTORS OF WEST KENT:—

Need I express to you my deep and heartfelt gratitude and appreciation of your splendid expression of confidence in electing me as your representative in Parliament? I shall earnestly endeavor to prove worthy of it and shall seek to give you no cause to ever regret your decision.

I shall remember that as your representative I am your servant. Your interests shall be my interests and it shall be my aim to devote myself wholeheartedly and earnestly to everything that redounds to the welfare and prosperity of the people of the splendid constituency it is my privilege and honor to represent.

Once again I return to you all my thanks. And, as I promised you before, I repeat now, I shall keep the standard you have placed in my hands clean. It shall be my earnest purpose to do nothing as your representative to bring a stigma on West Kent or its good people.

With grateful esteem,
Your obedient servant,
HERBERT S. CLEMENTS.

A GREAT SHOW

Everyone who has witnessed any of the late rehearsals all say "it's the best I ever saw, why its got

CALL THE CONVENTION

Very earnestly THE PLANET would suggest to the Liberal Conservatives of West Kent the early calling of their convention to nominate a candidate for the Provincial Legislature. Whether the elections come soon or later, let us be ready.

The splendid victory of Herbert S. Clements, M. P., has enthused and rejuvenated the Liberal Conservatives of this constituency. They are not now weary in well doing. They are ready to continue the good work.

But the Liberal Conservatives will not be alone in the coming contest. They have already the assurance of a considerable support from our friends, the Liberals themselves. The fight this time will not be so much a political one as a moral one—a campaign for the maintenance of purity and integrity in public life. It is a campaign in which we feel assured, all the right-thinking men of both parties will heartily join. And the candidate selected to champion the cause of cleanliness, of uprightness and of justice, should be elected by a thousand of a majority.

The men of both parties, therefore, who are interested in obtaining this splendid result should get together early and place their representative in the field.

Most heartily we commend the proposal to keep the present splendid organization of the constituency intact. The decision to continue the weekly gatherings of the workers in each district of the constituency for reports and progress is a capital one. Then with the proposition of the organization of the Kent County Young Men's Liberal-Conservative Association we are enthusiastically in accord. This is particularly a splendid enterprise. The formation of the various branches in the different localities with their own officers and meetings will give wonderful results, while when the union gatherings are held they will prove big county events.

Kent has made a splendid start and we have no doubt that there are still better things ahead. The activity, enthusiasm and ability now evidenced will grow and expand in even greater achievements.

To give definite purpose to the work before us all, it would be wise and timely to call an early convention and place the candidate in the field.

Officer Sheriff Gemmill this morning, but that gentleman said he could not open the ballot boxes until eleven o'clock Tuesday morning, when he will make the official returns and give the member-elect his certificate. Both candidates or their agents attend this official declaration.

the other minstrel show beaten to death" and why shouldn't it with J. W. Plewes as the centre, and such comedians as Will Massey, Will Chrysler, Mat Douglas, Dan Robinson, Sam Keough and Shepard, and ballads sung by Will Angus, Harold McDonald, Reg. Pleasance, and John La France, how can it help from being good; chorus all sing like professionals, music all catchy, tuneful, and full of ginger; jokes all new, and the entire first part full of action, it is bound to be a hit. In the Old or second part will be seen the famous linker's chorus that made such a hit in Robin Hood. Then Chrysler and Shepard do an act entitled Traversity a la Corte; here is where Will shines. Mat Douglas and his six braves, an Indian act, will hold you for a while. Mr. Will Wilson will be heard in this part in a song entitled "Gloria" assisted by Anderson, Angus, Sheldon, Smith, Plewes, Tackaberry, W. Smith and Ross, that is sure to please both old and young. The Black Dora Flora is a burlesque on the Real Flora Dora and is the biggest laugh maker ever seen in Chatham, people fairly scream at this act. Don't miss the big show next Wednesday night; two hours of laugh and enjoyment. Reserve seat sale opens Tuesday morning.

Wonderful Gains in Every
Sub-Division of the
Liberal Stronghold

His Majority Further Increased—
Stephens lead in Tilbury was
Better Than Cut in Half

From The Planet Correspondent.
Tilbury, Nov. 5.—The Planet of yesterday gave Stephens a majority in Tilbury East 13 larger than it really was.

The following is the correct result by polling sub-divisions—the majority being cut more than in half as compared with the previous result:—

	Clements.	Stephens.
1.	23	72
2.	40	40
3.	32	45
4.	50	59
5.	62	69
6.	38	29
7.	24	13
8.	34	39
	303	366

Majority for Stephens, 63.

H. S. Clements made gains in every single polling sub-division of the old banner Liberal township of Tilbury East, and large numbers of Conservatives from that township were in town last night to enthusiastically celebrate the event. Anderson hall was filled to hear the results, and the throng was wildly enthusiastic.

Mr. Borden's Thanks.

Halifax, N. S., Nov. 5.—Mr. R. L. Borden would not talk on the subject of Thursday's elections, further than to make the following statement: "I have no announcement to make at present, except to thank my friends all over the Dominion for the splendid fight which they made in the election contest. The odds against them appear to have been overwhelming. I especially regret the defeat of several of my colleagues in the late Parliament—men whose ability and experience in public affairs should certainly have justified their re-election in any constituency."

The result in the north riding of Cape Breton is still doubtful. The Liberals claim a majority, but the Conservatives will not yet concede the riding to the Liberals. A recount will be held.

A Recount For Hyman.

London, Nov. 5.—Hyman's majority is only 22. Mr. Gray, in a speech, said: This fight which has been put up by our men has been a clean one, but it is not so with our opponents. Friends have come in from the various subdivisions and have informed me that many ballots were marked for me were thrown out by the Grit deputy returning officers. There will be a recount. The rascality that has taken place in this city yesterday should put shame upon every London Liberal. Men were carried out of the city by Tom Lewis and others of the Grit gang, and many of the business men of this city, who hold their heads high, will be shown up sooner or later. The Conservatives expected a fight, but they did not bargain for anything like this. In one subdivision they have thrown out 16 of my ballots, and I am assured by many friends that a recount will surely give us the seat. We will have a recount as soon as possible.

Sir Wilfrid Gratiot.

Ottawa, Nov. 5.—C. B. Major, of Hull, received the following telegram from Sir Wilfrid Laurier, who is in Quebec, and who was elected in Wright Thursday:

"Please accept for yourself and to our friends in the County of Wright expressions of my sincere gratitude for the good news just sent me, and also my congratulations for the splendid victory."

"Wilfrid Laurier."

Provincial Elections in Quebec.

Quebec, Nov. 5.—At a meeting of the Provincial Cabinet yesterday morning it was decided to dissolve the Legislature, the day of nomination being fixed for Nov. 18, and the day of polling for Nov. 25.
