On Sunday evening last a quantity of hay on the Grand Pre dyke belonging to Mr. Alex. Jones was maliciously burned by some parties unknown. No trouble should be spared to find out and punish anyone who would be guilty of such a deed. We like a good joke but think this is carrying it a little too far.

**YACHT.**—Mr. D. R. Munro launched his new yacht last week. She is without doubt the handsomest and fastest he has yet built, which is saying a good deal. She is 32 feet, length over all, 28 feet load line, 8 feet breadth of beam, and 4 feet depth of hold; and is built largely of hard wood. She has a cabin running about half the length of her, and altogether reflects great credit on the builder.

What came near being a serious accident occurred on Monday last. Mr. Geo. DeWolf, of the Boot Island Fishing Co., with his son, left Boot Island for Kentville in a boat, when in the Port Williams river about opposite the Horton Poor Farm the boat caught on a sunken tree and capsized. The boat contained 25 half-barrels of shad, which, with the occupants, were thrown in the water. Mr. DeWolf's son, being able to swim, swam ashore and procuring a boat rescued his father. Part of the cargo has been saved.
