Suffered For A Number of Years From Dyspepsia.

That is what Mrs. Mary Parks, Cooper, Ont., says, and there are thousands of others who can say

BURDOCK BLOOD BITTERS cured her, and will cure any-one and everyone troubled with Dyspepsia. Mrs. Parks writes as

"I suffered for a number of years from Dyspepsia, and tried many remedies, but without any relief until, on the advice of a friend, I started to use Burdock Blood Bitters. After using one bottle I was pleased to find that I was relieved of the dreadful pains I suffered. I give all praise to B.B.B. for the benefit I have received, and I hope all sufferers from Dyspepsia will try this wonderful remedy. If they do I am sure that they will have the same experience that I have had."

it would be a world-wide calamity, because the oil that comes from its liver surpasses all other fats in nourishing and life-giving properties. Thirty years ago the proprietors of Scott's Emulsion found a way of preparing cod liver oil so that everyone can take it and get the full value of the oil without the objectionable taste.
