pagement in which he defeated Macdonald in Silesia, about seven weeks before the is the reason so is seventful victory of Leipsic. From that time, 'Forwarts I' became the battle cry of the Prussiana, Blucher himself was nicknamed 'Marshal Forwarts,' and when the necessity of the cry then terminated the Prussians found themselves within the walls of Paris. 'Forwarts I' exclaimed the gallant old here as his army toiled over the rugged road that led to Waterloo 'It's no to leave the de no use saying 'Forwarts.' Father Blucher,' assist their own

eries against Fort D'lesay, and open fire on Vangierld. The Journal Le Soir this evening,

A New Haven sheriff recently arrested a beautiful young girl, and eaused her to be sentened to tife, merely fur hankering after a young min with whom she had become acquainted. The sentence was pronounced by a dergyman, who condemned her to live with the aforeasid sheriff, her raptor, until death part them. A more severe condemnation for an offence of so light a character can with difficulty be magined. A young lady at Galesburg, Ill., recently went on an excursion with her lover, young man residing in the same town while on the way to Burlington, Iowa, the latter mounted to the roof to get the air Suddenty, the train apprinchant a hard

Gen. Trochu was attreked to-day by some

is to leave the departments free to or-ganise their own defence, which plan is universelly approved. The Prusefan plan of attack on Paris, I have reason to be lieve, is this:—An advance by Metusa and Fontainelleu to Versailles, while the army now advancing from Laco pushes on to St. Denia, this latter force will make a stack on Meatmain but the main an attack on Montmaine, but the main attack will be on the other side. The enemy occupying Versailles, and advanc-ing by the wood to Mendon, and thence by Fort Dissay to the heights of Clamart, will throw up earthworks and plant bat

The Journal De Soir unit evening, gives an account of an interview between King William and the Emperor Napoleon. The King behaved like a brute, and but for the intervention of the Crown Prince and Bimnrek, the King would have had the Emperor shot.

the Emperor shot.

Paris, Sept. 6, even.—Paris last night was calm. To-day there are symptems of sadees and dejection. No one knows entrains and dejection. No one knows entrains a Cavary, 18,000; how what is to be done. There is no fire nor spirit in the people. The ery is that the Prussians are approaching, and the Government is busy distributing places. Yesterday all the police were dismissed, and Paris left unprotected, but new men have been put into their places to-day the police were dismissed. The first army reserve is on a proposed the place to-day in the event of invasion or imm that campaign, and most have seen battle. They look dejected but calm.

Gen. Trochu was attraked to-day by some related of the long to the related of the long to grant the places to day.

Dubin is agisting for a reserved of the long to the related to the long to t

The second storm passed over Grammund, in Swinstrand, uproteen the old oak under which 1424, the constitutional oath has specific up a vigorous voung shoot.

The Tolfato Wess.—Our reader should be any a large processing to the poisonous insect to vines, and especially keep their children from going mear them.
