Lochalsh.

Miss Flora Finlayson is home from Detroit.

The Bible class, which meets every Tuesday evening in the church, under the tuition of Rev. Mr. McDonald, is very largely attended by the young people of the congregation.

The farmers here know exactly how to spend their spare time beneficially. They have made several "bees," and have turned out in force to haul gravel and improve the condition of the roads. There were sixteen teams engaged one day. Our roads will soon be among the best in the county.

The young men of this place have organized a debating club, which is to meet Friday evenings in the school house. Jno. McIntyre is president, John J. Gibson, vice president, Duncan Ross, secretary, and Finlay McLennan, treasurer. We expect a large membership for the club, and commend like organizations to other places, as it is a highly beneficial way of spending the long winter evenings which will shortly be upon us.

Bluevale.

The boys are very busy kicking foot ball the last few weeks.

Mr. McPherson has got rid of his spirited young driver "Nettie McKenzie."

Michael Nichol is the last addition to our village. We are always glad to see a new resident.

There are a few cases of measles; it is in the country however, and may not reach the village.

Wm. Messer, our enterprising merchant, is repairing his store. He is bound to keep up with the times. The Leech mill hands have almost got all the logs in the river out. Mr. Leech has had a long run this year.

John Johnson is gracing the town by a very smart pair of Arabians, they are very good goers and very graceful.

Miss Bella Duncan, of Clinton model, was home on a visit last Saturday. May she be successful at the coming examination.

We have an opposition mill in town now. Robert King's steamer came home from its threatening lately and began running a chopping and grain grinding machine.

Mrs. Duff returned from her visit on Tuesday last week, very ill. Since her return Dr. McDonald has been attending her, and she is with pleasure we state she is much better.

The Orangemen held their annual dinner in the hotel on the evening of Nov. 6th. Afterwards they assembled in the Methodist church. Dr. Chisholm and others addressed the meeting.

A new blacksmith has opened out in the Nixon shops. There is lots of room for two blacksmiths here. Mr. Scott could not possibly do all the work, and a great many had to go to Wingham.

A general move was the order of the week, Mr. Keeding left his house on the farm and went to his house near the station. Mr. Duff took Mr. Keeding's house, and Mr. Thompson took Mr. Duff's.

Wm. Smith is at home again drawing milk was not so pleasant after all. He is studying for a third. There are six in Bluevale studying this winter for certificates. So Mr. T. will have his hands full.

Mr. Many, agent of Bible society, delivered a very impressive address in the Presbyterian church last Monday evening. The largest audience ever attending a meeting in this place, of this kind was present. The address was very interesting, being illustrated by maps and charts.

Dungannon.

A monthly fair is being agitated here, Saturday last a sale of stock was held, and the success was so marked, that our business men are bound to see that it is regularly kept up. Joe. Mallough, our popular auctioneer, is one of the prime movers.

A meeting of the Band of Hope was held Saturday last in Erekine church. West Wawanosh council will meet at the town hall on Wednesday next, 23rd Nov.

November Weather Signs—Choose for Yourself.

As the wind is in the month of November, so it will be in December. Thunder in November indicates a fertile year to come.

If there be ice in November that will bear a duck. There will be nothing thereafter but sleet and muck.

If at St. Martin's (November 11th) it is fair, dry and cold, the cold in winter will not last long.

If the geese on Martin's day stand on ice, they will walk in mud on Christmas Day.

When in November the water rises, it will show itself the whole winter. As November 21st, eq. the whole winter.

As at St. Catherine's (25th) foul or fair, so will be the next February. As November, so the following March. If the leaves of the trees and grape vines do not fall before Martin's Day, a cold winter may be expected.—Wholesale Shipping List.
