

HURON SIGNAL

FRIDAY, MAY 4th, 1888.

The Goderich railway deputation left for Ottawa Thursday. The Signal hopes they are not too late for the fair.

The Reform candidate for Kent, Mr. Archie Campbell, has again secured the constituency, having been elected on Wednesday by a majority of 1509.

CHARLES Macintosh, the "high kicker," has been nominated to contest Russell in the Tory interest. Nevertheless, the chances of Mr. Edwards' the Liberal candidate, are considered good.

The Toronto base ball club won a game at Albany on Monday, and the Toronto World gave its able political editor a holiday and allowed the sporting editor full swing on the editorial page.

THREE young Liberals and three young Tories undertook to settle "The Future of Canada," by force of law at the Convention Hall, Toronto, on Monday evening last. There was a terrible struggle as between Independence and Imperial Federation, but as neither side appears to have carried the meeting by storm the Signal would advise the embryonic statesmen to take a middle course and unanimously elect for Unrestricted Reciprocity.

HON. CHARLES E. DUBOIS, member East-Simcoe, has been sworn in as Commissioner of Agriculture for Ontario. He is a practical agriculturist, a trained municipal graduate, a fluent speaker and a skilled debater, and will prove a source of strength to the Ministry of which he has been chosen a member. He will go back to his constituents for re-election, and will in all likelihood be returned without opposition, as his majority at the last election was 214. Nomination has been set for May 16th and election for the 23rd.

MR. JUSTICE MACMURDOCK presided at the Goderich assize court for the first time this week, and gave universal satisfaction in his rulings. He is a calm-looking, elderly gentleman, with clean-cut features, and a clear voice, well modulated, and toned a little on the low key. Looking at him one would hardly imagine that a well-known political warrior of bygone years was to be here. The Signal joins with the other public bodies of Huron in welcoming his Lordship to the county, and wishes him a long and successful career on the bench.

ON THE SQUARE.—Yes, that's how and where the work is done, for the front windows of George Stewart's studio face the square, and he works on that line. It don't make any difference to F. & A. Fridman whether the European war cloud spreads out or doubles up, what they do want is to build every man in town a spring goods.

CALL ON GOODE, the druggist, Albion block, for everything in the line of drugs, patent medicines, chemicals and toilet articles. Special personal attention to prescriptions. W. C. Goode, Druggist, Albion Block.

LICQUOR TEA.—Merit bears setting, and the reason that Li-Quor tea has stood the test so long is because it possesses merit. Without any inducement it is ahead of competitors, with the inducements offered by Rhynas it is irresistible.

THE WOMEN'S CHRISTIAN TEMPERANCE UNION will meet regularly for the transaction of business every Tuesday afternoon at 2:30 o'clock, in North-st. Methodist church. Every woman interested in the work is cordially invited to attend.

HAVE you seen those low priced window shades and cornice poles at Saunders & Son's? They are going out of those lines and are disappearing. Call and see the bargains they are offering in wall paper and picture framing at the cheapest house under the sun.

BEFORE JUDGE AND JURY.—There was a lot of strangers in town during the week waiting to have decisions upon cases in which they were affected. Some of them think they got justice, others think they did not, and difference of opinion as to cases exists in many minds. If you get your photos from R. C. Fallows however, there will be no trouble to get justice.

Get the watering cart ready. Look out for P. O'Dea's new address next week.

Mrs. Magnus Swanson and Miss Susan Payne are visiting in Kincardina.

Big improvements are being made to the bar-room departments of most of our town hotels. It is generally believed that the abolition of the Soot Act has something to do with the stir in this respect.

The editor of the Salem Republican says: "We would not exchange our office chair and editorial pencil for the throne and scepter of the East Russia." Some subscribers must have paid up recently.

Mr. J. J. Wright, of the Point Farm, dropped in to see us on Thursday, on his return home from a six months' trip to the Pacific Slope. He's going to drop in again and lead us up with the sights he has seen.

It is almost useless for the town to plant out young shade trees as long as the highway cow is allowed to run at large. Why doesn't Goderich follow the example of other live towns, and lock the highway cow up?

Bro. Alex Saunders was elected for the ninth time to represent Goderich, N. S. 32, Canada at the Order of Foresters, at the annual meeting of High Court, to be held in Hamilton on the 2nd. Tuesday in June.

EARLY CLOSING.—Steps have been taken toward taking advantage of the Early Closing Act recently passed by the Ontario Legislature. The idea is to close at 7 o'clock every evening except on Saturdays and the evenings before public holidays. There is a widespread feeling among our business men in favor of the scheme.

THE REASON WHY.—Every editor publishes articles that some don't like. You see there are so many different persons and ideas it is difficult to please everybody. So we don't attempt it. Only a demagogue would. Of course, most readers believe they could do the job. No doubt the average man can beat the editor at this business. Of course you can. The man doesn't live who can't beat an editor at running a paper. The editor is willing to acknowledge that they can. He only tries it because you have not time.

ABOUT CONTAGIOUS DISEASES.—Parents and guardians of children attending school should remember that it is obligatory on their part, should any contagious disease be at home of said parents or children, to notify the principal of the school or schools where such children are attending within eighteen hours of the first signs, or knowledge of any such disease existing.

GENERAL STRIKE.—The poetic justice in which Fraser & Porter talk to their customers on our eighth page will convince even the most pessimistic that the hard logic of fact is cheap wall paper can be put so that "the subscribers may read" if any one comes to us during the next week and proves that he hasn't heard of the big sale of wall paper at Fraser & Porter's we'll put him on our list free for a year.

At the regular meeting of Court Goderich, No. 32, the following officers were elected for the coming term: C. R. Bro. N. H. Rines; V. C. R. Bro. A. B. Devision; Fin. Secty., Bro. Thos. Sneyd; R. Delegate to High Court, Bro. Alex Saunders.

"THE BEST SALESMAN."—A good advertisement is the best of all possible salesmen. It is a salesman who never sleeps; who goes after business early and late; accosts the merchant in his shop, the scholar in his study, the lawyer in his office, the lady at her breakfast-table; who can be a thousand places at once, and speaks to thousands of people every morning and evening, coming to each one of the best things in the best manner—Monetary Times.

INCREASED THE DELEGATION.—There was a meeting of the town council on Monday for special business. Reeve Johnson and Dr. Holmes were added to the delegation appointed to interview the Government, making it the Mayor, Reeve Johnson, Councillor Radcliffe, Town Clerk Campbell and Dr. Holmes. The delegation was instructed to request the Government to at once proceed with the post office building on the site selected. They left for Ottawa Thursday morning.

At the opening of the High School Literary Society last Friday evening the following program was presented:—Recitation, Miss Rank; editorials, Miss Rank; recitation, Misses Aikenhead and Wilson; Mr. Thompson; question drawer, Mr. H. I. Stang; Debate:—"Resolved that ignorance and superstition have caused more evil to the world than pride and ambition." For affirmative, Messrs. McCrae, McCuskey and Knechtel. For the negative Messrs. Noble, Bailie and Sallova. Mr. Moore, who presided, gave his decision in favor of the negative.

THE WATER SUPPLY.—You can compel your landlord to procure you a supply of pure water. The Ontario statute, 47 Victoria, chapter 38, s. 3, shall be, s. 49, sub-sec. 12, says:—"It shall be the duty of the owner of every house to provide for the occupants of the same a sufficient supply of wholesome drinking water; and in case the occupant or occupants of any such house is not satisfied with the wholesomeness or sufficiency of such supply, he or they may apply to the Board of Health to determine as to the quality of the water, and if the said occupant and wholesome then the expenses incident to such determination shall be paid by the said occupant or occupants; and if not then they shall be paid by the owner." In either case the said charges shall be recoverable in the same manner as municipal taxes.

THE CALL MAINTAINED.—An adjourned meeting of the Presbytery of Maitland was held in Wingham on Tuesday, 17th of April, Rev. G. Law, of Belgrave, in the chair. The call from Goderich and associated congregations, Rev. Jas. A. Anderson, B.A., of Whitechurch, to become co-pastor of Rev. Dr. Ure, was taken up. The call was signed by 400 members and 300 adherents, and guaranteed a salary of \$1,000 for the first year, with an increase of \$50 each year. It should reach \$1,200 and a manse. Reasons for the translation were read after which Rev. Dr. Ure and Messrs. Aikenhead and Buchanan, as representatives of the Goderich Presbytery and Goderich congregation, were heard in support of the call. The commissioners for Whitechurch, consisting of Messrs. Henderson, Leggett, Campbell, Williams, Shield, Love and Robertson were also heard. The call was accepted by Mr. Anderson in his present much attenuated charge. Dr. Ure having replied, Mr. Anderson intimated his willingness to accept the call, and transmission to Goderich was unanimously agreed to. Mr. Anderson will preach his farewell sermon in Whitechurch on the 20th of May. It was announced that Rev. F. McLennan, of Kenyon, Glenora, has accepted the call to South Kintara. Arrangements for his induction will be made at the May meeting.

SUDDEN DEATH.—The following from an Iowa paper, refers to the death of a son-in-law, of Mr. William Wallace, formerly of Goderich, now of Quasqueton, Buchanan Co., Iowa.—Yesterday afternoon word was received here by telephone that Elias W. Hastings, an old citizen of Quasqueton, had dropped dead of heart disease. He was apparently as well as ever in the morning and was down to his place of business until noon when he went to dinner. Coming from dinner about 1:30 o'clock, and when between the house and store, he fell to the ground and expired almost immediately. Elias W. Hastings has been a resident of this county since 1855, a wife, but no children, and three brothers living, one, Dr. Hastings, a resident of Quasqueton. Mr. Hastings, we believe, was a member of the Baptist church of Quasqueton, and was a man who was highly esteemed in that community and throughout the county. Where he has a wide acquaintance. Although we know nothing of his business affairs, he was probably one of the wealthiest men in Liberty township.

The tug James Clark has been nicely painted by her new owner.

The steam tug W. J. Aikens, of Toronto, arrived in harbor from Sarnia at half past three on Sunday afternoon.

The Aikens left Sarnia at 9 a.m. and had clear water until within fifteen miles of Goderich when she met the fields of ice that were passing down from the north all day. The tug passed through the ice fields of this port seemingly without trouble. She left on Tuesday for the Methodist church here next Sabbath.

The tug James Clark has been nicely painted by her new owner.

Two LAUNCHES.—Wednesday afternoon the two tugs which Mr. William Marston had on the stocks were launched, in the presence of a large number of spectators. The first launched was the "Orandia," which is owned by Messrs. James Clark and John Craigie, and which will be captained by the latter. She is a handsome craft, and exhibits symmetrical lines. The other tug is the "Alfred Chambers," after the well known Captain Al., and is a twin of the "Orandia" for style and beauty. Both boats are perfect models of good workmanship and reflect credit upon the builder.

In spite of the heat of Saturday, the sun bonnets of the womenkind had a general turn out, particularly the fair ladies working hard at their flower plots to see which would have the first bunch for a bouquet when he comes along. The admirer's countenance, however, the onions would grow the quickest and have a sweeter aroma.

Our burg last week was visited by a travelling show under the leadership of Professor Wilder which gave an entertainment at the temperance hall. Among the names the babies in the woods was particularly well done. The women burying the little children in the robes with leaves and by the rare feat of coiling his tall form of six feet in a tea chest and getting out and going back were a wonder to all present. Their musical selections on the banjo and violin, not forgetting the bones were prettily played, our townsmen, Jas Linklater, lending a hand at the request

Montreal Stock Yards. (PRINTED CHARACTERS.)

The receipts of live stock for week ending April 28th, 1888, were 702 cows, 176 sheep, 367 hogs, 1442 calves. There were 136 hogs left over from last week, making a total of 838. All the live stock was sold except 232 cows, of which 188 were exported, leaving 95 on hand. The demand for export cattle during the week was limited, as shippers seem to hold back for the opening of navigation. In butchers' lots the market was active, and good cattle found ready sales, sheep and spring lambs were in good demand, the supply being light, and sales were made at 5c per lb. live weight for sheep and lambs, \$3.50 to \$4, according to size and condition. Hogs were in good demand and sold readily at 6c to 8c per lb. live weight. Of calves the supply was large, and prices
