The influence of artistic dress on the lives and character of men has been felt all through the ages, and as men gather power, dignity and influence they find a way of expressing it by the adoption of a higher standard of dress.

We respectfully request the attention of parents, guardians and the young lads of Newfoundland to this subject. The question of male clothing is a large item in a family budget, and can be divided into three parts.

FIRST: THE CHILDREN'S CLOTHING.—In this line we carry a large selection of fancy suits for little boys. These suits are made for us by the greatest specialists in children's clothing in Great Britain.

SECOND: BOYS' & YOUTHS' CLOTHING.—Our experience in boys' and youths' clothing is that when boys leave school for work they want to get Custom Tailored Suits; but their earnings are not sufficient to enable them to pay almost men's prices for their suits. We have gone into the question, and to meet this demand we have produced a high-grade Ready-made garment cut in the latest American style, made and trimmed well and of fine texture. These suits are miles ahead of an ordinary shop ready-made, in fact they are almost in the same class as a Custom Tailored Suit. They are not as cheap as the shop ready-made, but are perfect fitting and thoroughly reliable.

THIRD: MEN'S CLOTHING.—In our Custom Tailoring Department our cutter, Mr. W. J. Goss, is maintaining the high standard of cut and finish that specially marks a “JACKMAN” cut garment.

In our men's ready-made department we have hundred of suits in prices from \$10.00 to \$15.00. These are not a cheap class of Ready-made. They are made of good cloth, well trimmed and cut in the very latest American style. Cuff bottomed and all extras.

Mail order patrons will please give the ages of Boys and Youths when ordering suits.

When buying clothing it is always well to remember “that the good article is never dear.” It is the cheapest in the end.
