

Why You Should Choose the British-Made.

CHAPPELL PIANO

You are not invited to purchase this instrument merely for patriotic motives, but because the **CHAPPELL PIANO** has won its world-wide reputation in competition with the most celebrated foreign makes, and is recognized throughout England as second to none in splendid qualities of tone and touch.

Tea is Still Advancing
But We Intend to Protect Our Customers as Long as Possible

We notice the Canadian Press expresses the opinion that good tea may soon be a dollar a pound. This may appear rather pessimistic but it is not impossible, as at the moment there are a variety of reasons which contribute towards considerable advances in the price of tea.

We are to-day offering a **MAGNIFICENT TEA** in 1 lb. packets only, at
50c. per lb.

This is better than many teas offering at 60c. per pound, and on to-day's market quotations should be selling at 70c. per pound. This tea is being used by many of the best families in the city and has gained many encomiums.

We are also offering a **SPLENDID TEA** at
45c. per lb.

Both of these teas are specially put up by ourselves and are better value than can be obtained anywhere.

We shall be forced to advance our prices later or reduce the quality and we would sooner advance the price than reduce the quality. A word to the wise is sufficient.

For All Shoes
DRI-FOOT
Waterproofing

You do not need to wear heavy, uncomfortable rubbers if you treat your shoes with it. Dri-Foot is a liquid composition that waterproofs your shoes and gives them longer wear. It is invisible—does not prevent polishing, costs but a fraction as much as rubbers and one application lasts all season.

Children's shoes as well as yours should be treated with Dri-Foot.
